SEAL GENERAL FOR MD AND DEL.

Battimonn, March 20, 1565 To the Provoct Marshals of the Biates of D. aware and Maryland: Gentlemen—The proclamation of the Presi dent of the United States, dated March 11th 1865, brand in compliance with the require ments of the twenty first section of the Act c Congress, approved on the Silastant, entitled "An Act to amend the several acts here'cfire passed to provide for the ear-ling and calling this city, requesting a loan from each of them, out the national forces, and for other purpo see," le designed to benefit such deserters frem the army and navy, and each only, as were at large at the date of the proclamation. Fersers who were in arrest or under trial for desertion at the date of the proclamation, are visions, a ; inducement being required to secure their return to the service. And such persons as have or shall desert after the date of the proclamation, and while it is in force, are also excluded from its beseficial provis

The bezents of the proclamation are offered as an inducement to deserters to return vol untarily to the service; and to such, and such only, can these benefits be properly extended But deserters, who being at large on the 11. fore the 11th day of May next, will be regarded as baving voluntarily returned to service, and will be entitled to these benefits on the assumption that they might have return ed within the time specified, or for the st better reason that they were prevented by

fore, as otherwise the entire army might de-

superior military authority. Persons who were deserters, and in arr bafore the date of the proclamation, are ca liable to the forfeiture of pay and allowands the reward for their apprehension, and such purishments as may be inflicted by sentence of a court martial. But deserters not is arrest at the date of the proclamation, who . shall not voluntarily return to service or aurrender themselves to a Provost Marshal with in the time specified, and persons who have or shall desert after the date of the procings. tion, shall, is addition to the above pensities. be deemed and taken to have volusterily re-

profit under the United Bintes, or of exercis ing any rights of cit zers thereof. Deserters from the draft are to be regarded ted the boy to the Hou e of Renge. of the aforesaid section. And all persons who of \$26,939 7%. tion of the district in which they are excelled, Cott, Pat Lynes, Tim O'Erien and James or go beyond the limits of the United Htates It mak, small boys, were arrested yes erday, like masner dis'ranchised.

It is the first duty of every deserter from the Army or Navy to voluntarily return to his service, or surrender himself to a Provisi Marshal to be returned, and of every deserter passage; put into Havana for a supply of earliest practicable moment to avoid apprehemilian; for it is the duty of every Prevoit The Speretary of War directs that my re- rective on the charge of bring a plackade may be arrested suberquent to the receipt of prison for trial. this order by District Provost Marebala.
