force had reached General Grant's army. The Recent Attack on Fort Stead-

CITY POINT, March 25, 9 A M.—News has just reached here of an attack on our lines this morning at daylight by the enemy at Fort Steadman, near the Appomatter, capturing the fort and taking prisoners nearly all its garrison. The enemy sent the prisoners over the works towards their line, but on their way they broke from the guard, and nearly all es-

The line on each side of the fort was taken and held for a short time by the rebels, but reinforcements arriving, they were driven back, losing heavily in killed and wounded as they ran between the

Our loss is not known at this hour, but it is believed to be small. The line is now reported re-established as formerly.

[SECOND DESPATCH.] CITY POINT, March 25-3 P. M .- The result of the engagement this morning was more important than at first reported. At the point where the enemy charged, feet) spart, the ground between being almost level and free from obstructions except the abatis in front of the works or

each side. At this place, firing between the pickets has been almost continuous, and scarcely a day passes without two or three men being wounded on our side at least.

This part of the line has been occupied by the 3d brigade of the 1st division of the 9th Corps, Gen. McLaughlin commanding. He has often expressed his ability to break through the enemy's lines here, and only yesterday he showed how it could be done to some visitors who were inspecting the works.

At daylight this morning four divisions of the enemy were massed in the rear of their lines, under command of General Ferry, who was appointed to lead the charge. These troops consisted of Bushrod Johnson's. Walker's, Evans' and Grimes' Divisions, of Gordon's Corps At 5 A. M. the charge was made, and the time occupied in crossing the space between the lines, cutting down the abatis and getting to the rear of the fort, was the
