MRS. M. G. BROWN'S PHRENOLOGICAL CHART. FOWLER & WELLS, SEPT. 1, 1963. You have a strong constitution, large brain organized for health and long life, having descended from a substantial, healty, visorous and long-lived stock; in many respects Hance's Sarsaparilla, mate conclusion, jadging of its merits or demerits accordingly. sors as have a philosophical cast of mind.

You appreciate Philosophy, and such per-You relish wit, and readily perceive the gument by direct logic, you use the "Reducof the opposite proposition by disclosing its You are capable of making great discoveries; you have the power of invention. You

could not follow in the footsteps of others You have large ideality and Constructiveness. which gives imagination and originalty; you are BEC. 8. And be it further enected, That the never petter satisfied than when poring over following persons only shall be entitled to the some new problem, or following cut some fain bezentu of the asylum, and may be admitted hint into its legitimate and logical results. You thereto upon the recommendation of the board are fond of the beautiful and the new, and are of directors, namely: all volunteer officers, inclined to make combinations of words, ideas, tions. You have a faculty for unraveling causes. Your Spirituality is large which elevates you mind into the unseen and unknown, giving saith sick cers contracted in the line of their daty, in the fature and belief that the world is not half and such persons on becoming immates of this finished not the discoveries all made. You are daring the time they shall remain therein and servative, content with the venerable past, and wishing to keep the old edifice of affairs in repair. You do not harmonize with others in religious sympathy and worship.

Lon blomise lonisell only so much pappiness or success as you really work out; for the rest, you trust to Providence. Your love of approbation is so large that you wish the good will and favorable opinion of everybody; you want all to give you a hearty and You cannot bear a frown; a smile is sunshine to your soul, while a frown is, to you a blight, a storm, and a sorrow You have atrong social feelings-are carable of loving as a friend, wife, and mother; and, and if properly mated, socially, would feel at home in the d'mestic circle. In character and disposition you are preeminently womanly. In your intellect and tendency to reason and plans you are deci-HEC 11. And be it further enseted, That dedly matculin -- when among intellectual men, you wish you were a man, when your life fails back into the domestic channel you are contented as a woman; but have ever felt a desire for more intellectual elbow room.

You have a good memory of facts and principles, but the strength of your intellect lies in the reasoning department; and your real power comes from Casualty, Ideality, Constructiveness, Metaphysical power, Imitation, and Mirthfulness. In giving the above extracts from my Phro-(x) DIAL notogical Chart, I do so, having a two-fold

first. Because I do not wish to be classed with Quacks or Humburs, who have experimented on the suffering masses till the blood of there slain by Quackery, pouring Medi cines down the throat and Instruments would float all the gavies in the world secondly. I wish to appear before the world in my true colors, for, if rightly understood, I may be enabled, through my Metaphysical Discovery, to save thousands of valuable lives from an untimely grave, and prevent disease from being left as an inheritance to unborn generations There are many who do not believe in Phrenology because they are not abstruce thinkers .-

THE TARS, &c.

December 23, 1534. I. Mrs. Hannah M. Shedd, of No. 60 Harvard increasing thereby the power of the secretive street, Boston, have auflered from ecrofulous sore and distributive organs. It relieves, with hands for several years, also discharge from the wonderful rapidity, every disorder incident ears; tried the most emisent physicians, and had to the digestive apparatus; restores the appeforty different medicines applied in one year. My consultation began to sink under the weight cles; braces the nerves; gives elasticity to the of medicine and disease, and my head became apirit; recruits the mental energies; banishes so light that I feared to walk the streets lest I despondency; imparts to the attenuated frume should fail. Believing there was no cure for me a more robust appearance; allays irritation; sat down in despair. While is this state a calms the disturbed imagination, builds up friend, who had been cured by the Metaphysical the shattered constitution, and maybe taken Discovery, urred me to apply to Mrs. M. G. without fear by the young or old, the robust Brown. But sill I was so prejudiced against all or feeble, with equal advantage. The lassimedicines that in going to her office, I would unde resulting from late hours, or too close aptake no money, lest I should be induced to buy plication to labor of any kind, is quickly re-After Conversing with Mrs. M G. Brown, be- moved by its action, and ladies engaged in ing favorably impressed, on returaling home I sedentary occupations, and subject to inconsent for the Metaphysical Discovery, which I veniencies therefrom, will find it a safe and faithfully used, and the result is that my hands healthy stimulant. For sale by are sgain restored to me, and I can use them as formerly; my cars have coased to discharge, and my entire constitution to renewed. I sleep and eat well, and am getting fleshy and heavy. My joy and gratitude are great. I cannot speak too tighly of the Metaphysical Discovery, I am sending it this week to a dear friend in California, who spent him in a few weeks seeking relie from disease, but found none I have now searned the folly of nouring medicine down the throat, and am respired to sass to more drugs into my system through the mouth.

1. Mrs. William Ellery, of 75 Central Avenue, Chelses, Mass., do certify that I have been ments. Last winter the Scrofule broke out un- which have consigned so many to a PREMAder my chis, and run to such an extent that thought my life would run out, as no doctor could cure me. One told me it would take three an obstruction takes place the general health years to stop the running. I cannot tell the rain and suffering entured in body and mind. Most plovidentially I was advised to go and see Mrs. M. 41 Brown I did so. In the tegisming of May lest I obtained her Metar hysical Discovery, and used it faithfully. The happy and glorious results are, that I am delivered from all diseases. Most Bullable FRHALE MEDICINE IN TER My Catarrh is gone, my dirricess and headacke would, which is comprised in these Pilla. are gone. I seel as free from Scrofula and the effects as any being in the world. In two weeks have been a standard remedy for over thirty after I began to use the medicine the running years, and are the most effectual one ever sore under my chin had ceased, in less than a known for all complaints peculiar to Femonth I found myself a cured woman, it is now males.
