have icuad some rebel we unded in one of the the following narrative of the event, pre- tere in the precious metals have tittle control. Dospitale here. Oa of them sald to me: "I fixing the remark, that it is on "the level wrong. You Tankeer are not such men as we thought you were. I have received nothing but the kindest treatment ever since I was In another ward I found some reingoos from ten, apparently, about the Andaman Istaken prisoner in the battle of Stone Biver. Bouth Carollas, who were conscripted, and lands, rushed in a northwesterly direction escaped through the mountains, in company with twenty-two others who have gone on to twenty seven miles an hour, struck places the North. I inquired if there were many as widely distant as Hidgelice and Cal-Union men in Bouin Carolina. They replied cutta with undiminished fury, and from that all the billy pertions of the Biate are fall the seas to Pubna and thence eastward to

our lines. A sallor, the other day, while explain. ing the third figure of a quadrille to his messmate, thus described it: "You first beave abend, and pass your adversary's yard-arm your beel and bring up with your partner:) natil nearly astern of the other line, make a storn board, cast her ca to shift for herself. regain your place the best way you can, and let go your anchor.'

A person recently returned from the Rio Grande, states that our troops are build ing enormous fortifications at Brazes. This is The ostereible object of these work, Is to protect an extensive depot of army sup plice: but intere events may probably bring the occasion for a different use.

The ball given by General KcDowe) in Ban Francisco, was a eplendid affair. The costumes of seme of the ladles were extend nearly \$100,000 worth of jewels. Mrs. Hens ter, of Han Jose, was also resplendent with well. The lasy of the Preach Contal, Mrs Vandemater, and Mre. Dowey, appeared it court dressed. The foreign Contain and their

wives ail appeared in court costumes. A letter from the Army of the Poto mac says: "It appears to Co as if Gen. Gran" was locking for a retreat or failing back of the fee, and keeps in rendiness to pource attempt to retreat to the Danville road, wen right on them in about four hours' time after ! their departure. Our works are so near each other that It is impossible for the enemy to saitd framevom eds fraditwerisht nobesda

discovered in mediately." And Journalism on the Pacific coast is pros percus. California has seventy-three weekly two semi-weekly, six monthly, seven semi weekiv, three tri-weekly and some eighteer daily and nine weekly papers. Washington | "it out a channel right across the island, | Reading territory, fire weekly; Utab, one weekly, two savering it in two halves," a sentence daily and one monthly; Varenuver, three which reads rather like the description of daily and weekly, and Armona two weekly. A youth in Indianapolis is in a bar fig. He voted at the State election last fall. and was drafted a few days ago. His friends are now ready to prove that he is not twenty years of age, but he is afraid of making affi davit to that effect, as it will leave bim open

to profecution for filegal voting. His choice lies between a prison and the war, and he cannot make up his mind which to choose. ## Colonel John H. George, of Opport. city to recover the amount of a debt for bis case. The Bupreme Judicial Court decided that greenbacks were legal tender, and the plaintiff was allowed to take the amount of

his note without interest from the time of the tender, and pay costs, in all about \$400. As a result of Col. Heaton's visit t Wilnington, there has been seized and turn ed over to him by the military authorities.

over to the Tremery. formed an organizate n for the purpose of sawing and splitting the wood of women whose busineds are in the army. They have already op it fifteen eards for one lady, and about twenty for another.

ger The Montreal Telegraph, the reter organ in Canada, frankly confesses that the rebel cause is hopeless. Aliming to the pros. which they ate eagerly." pect in North Carclina, it sayer "It is not so clear that a decisive confederate victory,

cause his father would not permit him to en ! list. It is not approbended that any consider able number of citizens in that town will permit their anxiety to enter the army to run away with their judgment to the same extent. The Government is exgaged in erect-

mulitary post assumed to be elected Senator from New Jer sey. He had only forty votes, while there were forty one against him. Buch a case has Deter Arisen Defute.

The Whipple File Company, whose works are at Baliard Vale, Mass, employ 650 men and boys and 25 girls, and turn out 500 dizen files daily. A rangements are now in ; it was necessary to replace them, and the State Flour is less active, and the market i progress which will double the rumber. open to ressels of every nation on the trat of the track of a horse through barley. May. The immediate effect of this will be to

increase trade with Ban Francisco, and benefit our commerce there generally. The opening of trade at Memphis is bringing in crowde of butternuts with wagins 3-Monday 15 41 16 19 / loaded with eather, but they are terrible 4-luesday | 5 40 | 6 20 | afraid of encountering guerillas on their way
