DEALS IN

PERFUMERY AND MEDICINE.

D. H. JOHNSTON,

Member of the Royal College of Surgeons, London, and of the Medical Society of the United States, and the greater part of whose life has been spent in the hospitals of Europe and America. He has had some of the most remarkable cases that were ever known, many treated with remarkable success. His practice is now very large, being attended at random rounds, both with frequent frequent visits, and with the greatest care and skill.

Dr. JOHNSTON,

One of the best physicians in the city, and one of the best surgeons.

Johnston's Patent Medicine.

111 W. Main, Baltimore.
