Providence put it in the hearts of the slaveholders to make unwittingly this contribution to our victories. Our readers will remember that at an created a military class—the masters, ac- beating Nancy Miller; case partly heard. amusement, and devoted solely to the art of war; while another class, the bondmen and bondwomen, decile, quiet, and obedimight be the spirit and resolution with besting Alice Johnson; fixed \$10 and cat. which they came to the rescue of their country, were of unwarlike babits, and multitudes of whom would find it necessary to return to their homes as soon as their term of service should be ended. state of things at that time, but in this Catharine Ellott.

very organization of Southern society, on which the slaveholders plumed themselves mitted an assault upon a lady, was released so proudly, lurked a disadvantage and a danger to the rebel cause which became apparent soon after the President issued the proclamation of freedom to the slaves in the revolted States. The masters were then found rearing a class of scouts and guides grown a little wiser, recruited its soldiers; a class who furnished the Federal

army with the heroes of some of its most fiercely contested fields. This class has shared in some of the most glorious triumphs of the war: it has entered one cap- administratiz, and others; decree passed ortake military occupation of Richmond. weakness of the social system founded on an this court Haturday:

see that in such a state of society the master and the slave were necessarily onemies, and that in case of an invasion from without, which promised the slave return the papers and testimony in this case. his freedom, he would be sure to take part against the master. The present war has tin. The following business occupied the at been carried on long enough to make the teation of this Court on Saturday: truth clear to all the world, and to all time, that a Government whose essential ; argued. principle is slavery, rests upon a most

slippery and insecure foundation, and is in perpetual danger of being overthrown by assaults from without. Yet this truth could not have been made

so manifest but for the peculiar temper of the southern slaveholders, naturally generated by their institution. Accustomed to make their will the law, as well in pelitics as on the plantation, they would accept no compromise, would listen to no tra Atam Saively, administrator of Lawterms of reconciliation, would consent to reces Sairely-an appeal from the Superior a cessation of hostilities on no other con- Court of Baltimore city. This cause was ardition than the recognition of their new gued and concluded by George H. Williams government as an independent power, 'for the appellant, and J. Prentiss Poe for the entitled to a share in the public property : appelles. and the unsettled territories. The domineering spirit of the South, more than any trustee, sold at ; units sale, in Ekton, on strength of virtuous determination in the Wednesday last, a tract of land situated on

North, saved us from the disgrace of a Sassafras Neck, containing 195 acres, for \$32 new compact which would have infused per sere; also, a lot containing three acrea. new vitality into the system of slavery. It drew on, it precipitated the downfall of latter; and a lot of woodland, containing 21% glavery and the decimation, impoverishment and dispersion of the slaveholding class, which may already be said to have fearfully perished by the recoil of its own
