MEDICAL.

DR. A. HUNT, Graduate of the Medical Faculty of Paris, (France,) Member of the Medical and Chirurgical Faculty of Baltimore, Md., is the discoverer of the only Remedies for Diseases of a private character, without Mercury or noxious drugs. Recent cases cured in from 12 to 48 hours, on written guarantee. Chronic, inveterate and constitutional diseases, such as have been abandoned as incurable, are speedily and permanently cured. The treatment adopted by him is that which has the approval of the most distinguished Physicians of Paris, and its universal success in a practice of 40 years has proved, beyond a doubt, that the worst cases readily yield, and are thoroughly removed at once and forever from the system, especially all cases of constitutional debility; nervous diseases, and all the evils entailed by certain pernicious practices which ruin both body and mind, making the victim for either business, study, society or marriage, and to those who are suffering the evil effects of improper indulgences, of whatever kind, can now be perfectly restored to natural health and vigor, in a brief period, by applying to one whose skill and experience can be relied on. *No mercurial or unnecessary exposure.*

Patients consulted by letter and remedies forwarded that can be taken in the most convenient and private manner.

The great demand for this delightful Summer drink last season bids fair to be far surpassed at WM. H. READ'S Place, No. 187 Baltimore Street, one door below Calvert. The popularity of Read's Mineral Water last Season was due to the purity of the drink; being manufactured from the ripe fruit, while the Carbonic Acid Gas is generated in Porcelaine Fountains, getting rid of the deleterious presence of Copper in most Apparatus. No effort will be spared to have the very best drink to be had in the country. The addition of the Cream always to be had at Read's, which renders it especially popular with the ladies.

DR. JOHNSTON,

Member of the Royal College of Surgeons, London, graduate from one of the most eminent Colleges in the United States, and the greater part of whose time has been spent in the hospitals of London, Paris, Edinburgh and elsewhere, has effected some of the most astonishing cures that were ever known; many troubled with ringing in the head, ears when asleep, great nervousness, being alarmed at sudden sounds, bashfulness, with frequent blushing, attended sometimes with derangement of the mind, were cured immediately.

These are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Pains in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption.

MENTALLY.—The fearful effects on the mind are much to be dreaded—Loss of Memory, Confusion of Ideas, Depression of Spirits, Evil Forebodings, Aversion to Society, Self Denial, Love of Solitude, Timidity, &c., are some of the evils produced.

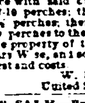
MEDICAL.

AYER'S SARSAPARILLA



is a concentrated extract of the choice root, so combined with other substances of still greater alterative power as to afford an effectual antidote for diseases of the blood. Sarsaparilla is reputed to cure—and such a remedy it really is, for many of those fearful complaints, and that class of cutaneous eruptions which will accomplish their cure must prove, as it does, of immense service to this large class of cruel and fatal sufferers. How completely and thoroughly it will do it has been proven by experiment on many of the worst cases to be found in the following complaints:

Scrofula, Scrofulous Humors and Sores, Skin Diseases, Erysipelas, Pustules, Blotches, Eruptions, St. Anthony's Fire, Rose or Erysipelas, Tetter or Salt Rheum, Scald Head, Ring-Worm, &c.

Syphilis or Venereal Disease is expelled from the system by the prolonged use of this Sarsaparilla, and the patient is left in comparative health.

Female Diseases are caused by Scrofula in the blood, and are often soon cured by this Extract of Sarsaparilla.

Do not discard this invaluable medicine, because you have been imposed upon by something pretending to be Sarsaparilla, while it was not. When you have used Ayer's, then, and not till then, will you know the virtues of Sarsaparilla. Such is the confidence of the Proprietor in its cures, we testify unto Ayer's American Almanac, which the agent below named will furnish gratis to all who call for it.
