PRESIDENT JOHNSON'S ADDRESS, TO A DELEGATION OF PERSET-VANIARA

WASHINGTON, May 3, 1865.-To day the committee, of which Hon. Simon Cameron was chairman, appointed at a meetmade of the remains of John Wilkes ing held at Harrisburg, Pa., last Thurs-Johnson, had an audience with Mr. John-The committee were accompanied

(Hon. Thaddens Stavens and other prominent Pennsylvaniane. In presenting the resolutions Mr. Cameron said:-MR. SIMON CAMERON'S ADDRESS. MR. PRESIDENT-I have only one word

to say. A large number of people, members of the Union and Republican party, their respects to you. We have nothing ; to desire but the prosperity of your administration, and have ample confidence in your ability-a confidence derived from your past history. Your first great task is to close up this war; and we take it for granted that you will act, not only wisely, but justly. I also take it for granted who brought on the war to live in the same way they did before the war commenced; and we hope that you will find some way to take care of them, and to save and reunite the country. There are none here who have come from any desire . for place for themselves or their relations, but simply from a wish to express their confidence and desire that you will bring the country out of this trouble, and that

THE PRESIDENT'S REPLY. responded to by mo. I, too, think the time has arrived when the people of this nation should understand that treason is a crime. When we turn to the catalogue of crime we find that most of those contained in it are understood, but the crime of treason has neither been generally understood nor generally appreciated. as . think it should be. And there has been an effort since this rebellion commenced ascendancy of certain principles from the dawn of the Government to the present time, and now settled by the final tri umph of the Federal arms. If this is be a determined, settled idea and opinion. the Government is at an end; for no ques tion can arise but they will make it party issue, and then to whatever length i
