very pre eminence in wickedness, escape ' In this connection, those who regard properly the life of the nation and the ends of justice, have much to be thankful for, that in the new Executive the nation has one who less than most others who have attained high position, is "no spector of persons." Deeply impressed, evidently, with a sense of his responsi-

bilities, and determined that keregiter there shall be no temptation to overthrow. the Government as an easy alternative to those who are inspired with unboly ambition, the reward be has offered for the (guilty is an earnest, that if they can be) seized, the law so grievously transgressed shall take its course. Treason is either a crime, or it is not. The founders of the republic reckoned it as an offense to be dealt with severely, and with the fearful record of what it has accomplished within . the past four years spread before the country and the world, the Government

and the nation would be absolutely mad to treat the law in this instance as a dead letter. Let these great criminals off, and it would be the duty of the Government, to dig up the remains of Beall and Kennedy from their felon graves, to re-inter find defenders—it will endure to the end the of time. Let its motto be on the other | hand-Favor to criminals in high places! and a cloud will rest upon its future,

Everywhere through the country the a meat thrilty appearance, and the evidences are that there will be unusually large yields.
