own prets, the author of a humber of other . their fatriceie and pathetic beauties. The of the scheme - Tribuse. author is Dr. C. C. Cox, now Mentenant Govare glad to know that he is about to publish i his pretient productions in a collected form. Our chip regret is that, like our own Charles Horagae, one who can write so well has not

Written mera. "Without baste! without rest!" Bind the metto to thy breast; I ear it with thee as a srell; Storm or suschine, guard it well; Heel not nowers that round thee bloom Bear it onward to the tomb.

Haste mot! let no thoughtless Ceed Mar for ave the spirit's speed; Ponder well and know the light; ()nward then, with all thy might; Plante not! years can as er atone For one reckless action done.

Rest not! life is sweeping by: Do and dare before you die; Nomethic g mighty and aublime Leave belind to conquer time: flicrious 'tis to live for age. When these forms have passed away Haste not! rest not! calmly wait: Meekly bear the storm of fate; Duty be thy polar guide; I'o the right whate'r betide! Haste not: rest not! Conflicts past,

God aball frown thy with at last. LETTER FROM WASHINGTON

. [Cerrespondence of the Baltimore Clipper.] WASHINGTON, May 8, 1565.

Great British by the presgnigation of our be. room. Parallel to it will be the tables for rents: loved I'resident, are attested by the proceed the official reporters, who will be sworn, lags in both Houses of Parliament. No form the Bovereign. Notice of such an address was that several eminent Democratic politigiven to the Peers by the Becretary of Foreign Affairs, Earl Haurell, and to the Lower House by the Home Secretary, Bir George both ckillful lawyers. Grey, in the name of the Prime Minister.

Himont's expression of sentiment to the Gov testimony, and that the cases have been erament of the United States, in an appro- | prepared under his engle eye. priste manner; but it is intimated that sho . will also probably address an autograph let ter of condulence and sympathy to Mrs. Lincoin. Having herself been called to mourn | sion of the prisoners by a mob to succeed. cap, three balls through my overcent, and the loss of an idolized busband, the virtuous and truly notile Prince Albert, the Queen will, the outer walls, while thick cordons of as fast as I could, when I was interrupted a soo feel, with peculiar sersibility, the nature and sentries surround the red brick building by a big ruffian, who hallowed for me to extert of that deep sea of grist which has which confines the wretehed criminals, "Rive up." I went up to him and handed who, in chains, with mufflers over their him my gun, which he took, or lering me swept over the berested family of our martyred Linecin, especially her who was dearest to his affections, and will be drawn to her by

the bend of a commen serrow. The expressions of feeling from the great converse with them upon any pretense. murges of the British recole will be not less strongly marked by grief and detestation of the crime. Whatever may be their likes or cielikes in the wighty struggle now happill ended, they will see only in the murdered ! President a man and a brother, foully out off | in his hour of recreation by a vile agent of a distellical compliancy, and one universal voice, theatre employees will have to die, as i of execuation will be heard from one and of seems pretty clear that they aided Booth the kingdom to the other.

It is but due to Sir Frederick Bruce, the British Minkster here, to add that he took the earliest opportunity to express the sentiments now repeated in Parliament.

Prezident Lincoln on Saturday, April 15th, for the purpose of presenting his letter of sination. credence from the Queen, but alast on that very morning our "great and good friend" had parted away from exith. And the first . cripatch of the Minister announced to his entire court and reporters are prepared at Government in London the sad and asteurd- the jail, and they will probably remain ing tidings of the secretarion.

The dreadful news went rapidly. It was ansonreed in Parliament on Thursday, the This of April,- and, at the same moment, we may well believe, was sounded the death-knell of the Confederate cause in Europa.
