How to PREVENT BURGLARY .- People are usually very silly when they bear or think they hear, suspicious noises of a night. The first thing they usually do is to light a candle, which proclaims to the robber that he has been heard, and must escape; then they go about the house with this candle, and make a great noise. so a man may have plenty of time to get away, or to hide Limself. Instead of this, if a person were to listen intently, he would be able to hear any suspicious noises distinctly, and decide upon their exuse; then, as he must know his own Louse better than a robber, he is best off convenient. or the two in the dark; and when, having armed himself, he has quietly opened his. may take such steps as may seem necessary. OLD FASHIONED INVOICE.

One of our Market street merchants received yesterday from Macon, Ga., a big invoice of Georgia cotton yarn, the Erst that has come to Philadelphia since the war began. It is from the Eagle Mills at Macon. This article used to come to us in rackages about a fort square, in blue paper, duly labeled. The present ship. gallows. The last is R M. T. Hunter. ment is made in large packing boxes, known to the trade as W cases. The reacon for this is that Macon, Georgia, has Lot a single yard of baling cloth, nor a ream of packing paper. Cotton yarn was always packed in bales. To see it in cases looks as strange to the trade as i would look to see sewing silk packed in sardine bexes.

Baling cloth is of fereign make. It is mais of flux, and is known as gunny the consignees are now parcelling it out according to custom, and wrapping and labeling it as the trade are accordingly to see it.
