SOMETHING MORE IN REGARD TO

MEEDFUL TOLERATION. the belief-that the time had come at last gret his devotion to the Union cause. in Maryland, and especially in Baltimore, to compose those animosities which for for dissatisfaction on the part of some, who all such. lives to make terms with those in sympa-tention. thy with it. We ourselves had thought before the terms of peace were promulgether to their heart's content. We did get a copy. not approve of the easy terms granted to Lee and the rest of the unscrupulous cutthroats and maranders who have been operating to murder and despoil our peoboped that when wretches like Mosby : and McCausland, his wicked instruments, villains acting with his force, in fact, his literature, and should be largely patron- Marble Hall. scouts on our borders, were to be dealt with, ized. terms granted to Loo and the chiefs around about of corn in his season."- Towcontown him were most distasteful to us. But the Union. terms were made, were dictated by the Government; and unless we would place Brittel, Ocum. ourselves also in the category of the malcontents, the opponents of it, the dissatisfied. we had nothing for it but acquiescence; nothing to do but endeavor to reconcile ourselves to the conclusion that

homes." and the States south of us ceasing | ed's "Email de Paris:" to stand in the category of "rebel States." where were these dishanded rebels to be ceived, and with entire satisfaction used, driven to! The parpose of the Govern- -gmail de Paria" Compelled as I am to the ment is, of course, to make the States in use of powders as stage requirements, I find question loyal as soon as practicable. And that the "Email" produces all the brilliancy of yet what prospect have we of that great rouge and lily-white, with the great and pecudesideratum, a "restored Union," the adds to the softness and smoothness of the skin, demand, is made from the choicest materials, is of said Bank, held this cay, it was manning ponsible for the delivery of the notes for Baltimore street, up stairs, near Charles. thing we have been fighting for, for four without conveying the slightest meretricions said and smellion in its nature, frequently seemweary years, if every evil element is to Mee. be concentrated in certain of the States | I have no hest'atten in recommending it to the skin. For sale by all Druggists and Fancy South? Suppose we begin by rigidly the profession and the public. And so believe Goods Dealers driving the disloyal out of Maryland into me, with thanks, yours truly, Virginia, and out of Virginia into North Carolina, and so on to the Gulf. Do we Perfumers and Ladies' Hair Dressers. want to see these elements of evil hang ing like a thunder cloud anywhere upon the borders of the restored Union, concentrated there, possibly by future mad and bloody freaks to bring disgrace upon the nationality! On reflection, is it not bet ter for all the States to share the respon sibility of being the sentinels to watch over it, to control it, to gradually eliminate it? Cannot Maryland do its part in the great programme provided by General Grant,-tolerate its presence to a certain city of Washington, April 18th, 1865, James extent, and make it behave?

best at last for all concerned.

Now, taking the matter at its worstthere is not a Union man in the State who estizes. He was beloved by all his frieads fears its presence in any shape. It is and acquaintances, and not only will his loss subdued, humbled, rendered eminently be sadly felt by his bereaved family, but by docile; it is in that condition at last-con- of his generous nature and many acts of victed of its folly—to be made instrumen- kindness. tal in forwarding the progress of the com . monwealth. If Virginia were to undergo the process contemplated by some of the late Wm. Brown. "driving out the disloyal," she would year of his age. Christian Close, formerly of hardly regain her presperity in the next Howard county. half century; for denuded of the bulk of beth, wife of Thomas F. Jones, in her 33d ber population already, cut down by the year. war, the Union men would be compelled to suffer in common with the rest. With railroads and canals and bridges destroyed, it is going to take all the labor for years, of every kind these States can Alure stock of muster, to set things back to their old position in any reasonable time. We have already intimated what would

be the condition even of our own State and city, were we to take the vote for the New Constitution as a guide to determine who is to be tolerated here. And so, seeing the tendencies of these things, we are compelled to take things as they are, Charles streets, has recently received one of the not as we would have them. Let all go most stylish, and excellent, and extensive ason bating treason as earnestly as they ever imported. In Costs, Pents, Vests, he has brates, and its effect was magical enough, not please; let them credit it as the monster the most appreved designs. He who would be call to care his Dyspepsia, but to produce the that has slain its hundreds of thousands handsomely clothed should go to just such a which we have given. Fire la Plantation. whilst otherwise desclating the land, and store, and commence at once a business aclet our children be made to hate it as the quaintance. fearful thing it is. But-as we have already said-we may not live in a storm forever; and the disabilities the partizans) of treason have already in store for themselves in loyal communities, will not when we say helr present stock of clothing

cause them to be envied. Finally, we urge once more, the toler- to the favorable notice of all who may want ance of that which we cannot drive out goods in their line. They sell at small profrom amongst us. We have advocated deference to the constitution and laws.-Government and people have taken up coing and becautiying the Hair makes an an- FITS-end the ingredients may be obtained Bankers and Brokers, and deliver the Netce free to have these respected.
