> THE REVIEW. General Sherman, accompanied by Mai. General Howard, whose empty sleeve spoke eloquently of the past, rode a little in advance of the staff, with boquets in their hands, and their horses gaily decoratel with flowers. A soldier of the Vet eran Reserves approached General Sherman with another boquet, but the General's horse became restive, and he motioned the soldier back. 'Give it to Howard," shouted the throng; but he too, with his single hand, could attend to but little else than his curvetting steed and the veteran returned to the seats with his offering, cheered on every hand,-Riding to the western entrance to the White House, General Sherman dis mounted, and, with General Howard, for lowed by the staff, joined the group on the

Next came General Logan, comman! ing the Army of Tennessee, upon a magnincent iron grey. Swarthy, erect, and muscular, he looked the beau ideal of the soldier, received the acclamations of the assemblage with a modest grace that charmed all the more. He, too, dismounted, and joined General Sherman. came the head of the column, 15th Corps. Major Gen. Hazen commanding. FIFTEENTH CORPS.

the front of the reviewing officer, where they played till the brigade passed, and then swung round into its rear, unalung their drums and marched away to the mu-

sic of their comrades following. The Second Division, General Carey and the Fourth, General Corne, presente a no less fine appearance, the Generals and btaff officers riding with boquets, and is many instances with wreaths about their horses' necks. Corps and Division officers only, after passing the reviewing efficer dismounted at favorable points and returned to the stand, where General Sherman stood at the left of the President, in tently watching the column.

The sharpshooters of the Second Briconcourse of people, the sidewalks, bal- gade, Corse's Division, were armed wit double barrelled rifles, and attracted grea

THE ARTILLERY. The artillery brigade of the corps under Lieut. Col. Ross, followed. The artillery passed quickly with battery front, its officers acknowledging the cheers of the spectators, that drowned the rumble of the heavy guns. This was followed by the the 1st Michigan Engineers, Col. Yates, to the opposite side of the street, cheering kings to barons and captains. in the most vociferous manner.

SEVENTEENTH CORPS Next came the Seventeenth Corps, Major General F. P. Blair, with his rudy face and tall form so familiar to Aubitues the House of Representatives before the war. The General passed, followed y the 3d Division, General Nagle commanding, and with the latter officer dis mounted, joining the officers on the stand, which by this time was crowded to overflowing. The engineer brigade, composed of colored troops, preceded the division,

and compared favorably with any of the other regiments. By this time it was 11 o'clock. The sun the last monarch of that line, Henry 117 poured down through the breezeless air, was one of the most skillful organizers with intenser heat, and the crowds on the a grand and successful assassination pl pavement sought the shade.
