of a sudden activity in business operations aid in restoring the national autoority. signed them to desolation and silence, and emirenily entitled. with a power,-even with their dimindeveloping resources long hidden away, Rest, noble friend, in peace ! until it would seem that but little time

And When we note that even the near ! approach of the hot months, that season which in most of the great commercial communities, sends the business and wealthy portions of our people into temporary seclusion at watering places and other resorts,-that this makes no apparent difference with the earnest "reconstruction" that is taking place, the inference to be drawn from it is of the most | ed to the use of "Stage Making Up," will encouraging nature. The summer-it find that must be borne in mind—has never been will remove all the evils resulting from the considered at all favorable to the move- | use of paint, powder and rouge. The 'Email' nah, Charleston, Richmond and so on, all black spots and impurities. localities; yet now, with the long re- and talent. again the range of fields from which the dies' Hair Dressers, and war has debarred them, they cannot and will not wait for the near approach of the ! fall months to set things in motion again. Well, all this is of the pleasantest im-

port possible, in defeating the speculafuture of the Republic. The bitter vindictiveness, the continued animosity looked for and predicted by numbers, is " fast giving way to the needs of the hour. Men who have suffered so much already, | as the consequence of cherishing a fierce and causeless strife, find, at last, that | the nerves that have been braced through ! a four years' savage conflict, cannot be held in tension forever. And tamed and chastised as the leading demagegues; down there have been, humbled beyond all chance of again being considered political oracles, the chances are said that that forty years a resident of this city. that "peace" will be hereafter continuous son (I Francis N. and Ellen Reid, aged 16" enough, which is needful to restore and pears and 7 months. increase the prosperity of the South. Now, all this is observed in the extreme!

Southern States, in what, hitherto, have proved the centres of the rebellion But what do we observe here, amongst our. selves! Why, disappointed somehow, that Maryland could not have figured on the side of the rebellion, there are those here who come up more slowly to accept the situation than those who have been JUNE 11. thrashed into submission. Aware that in JUNE 11. the very nature of the case, they have in the past made but a poor figure in the fight, their sympathies one way, their instincts of selt preservation another, they have not won the respect of the rebels in arms, those who "showed their And a variety of miscellaneous Sunday reading." faith by their works;" and remembered by the loyal, as disloyal sympathizers, they have thus no status regarded much by any. Sullen, dissatisfied, backward to ! acknowledge the power of the Government and the prospects of a permanent peace, they will believe in nothing, accept nothing; and carrying this want of faith in the future even into their business arrangements, all such are for the present a dead drag on the progress of the city and jestin State, and will have to be pushed aside. left out in any calculations as to what truit of the perfect Pill and Family Physic, is ministered in this semule marker. balance in good timber. Improved by a good Frame Dwelling, Stene Spring Route, &c .-Excellent water in every nold. Price \$6,000. FARM of 572 acres on the Annapolis and Elk Blige Mailroad, at the Station abown as Patuxeat Furnace, 2h miles from jurction with the Westington hadrond, at the Lead of Painzent river; 400 acres are wader cultivation, and the balance is in young timber. The land is of excallent quality, and the site unsurpassed in re-

gard to health and scenery. Two apple orchards and other fruit trees are on the piace. An unsurpassed water power site for a fectory, with race and milledam complete, formerly used for a large from furnace. Improvements consist of a large and substantially built mension house, with a fourteen feet wale hall, and pages in front, surrounded by green trees. The house cratains 14 or 15 rooms, and was built at a cost of #9 000 The ether improvements are a store at the bising, repled for \$100, barns, tobacco houses, &c. The whole improvements worth 8.5,0.0. Price 235,000, half cash. FARM of 500 acres, situated 3) miles south of within helf a mile of Clymont whatves. steamboate are sunning from there to Baltimore and Washington every day. The soil is of a fine and productive character. well adapted to the growth of Corn. Wheat and Tebacio, Meliens and Fruit, and every kind of vegetables-t would make a splended market garden. Four hundred acres are of arable land.

and the other portion in oak, chesnut, ceder and pine. The Farm abounds in springs of neverfailing water; it is situated in a healthy and pleasant neighborhood, convenient to churches of all denominations, post office, &c. It has on it a good Owelling House, good Out Buildings. such as a fire large Barn, Stables, Corn House, Granary, Overseer's House, good quarters for Secretary, Newcastie, Dal. All persons are laborers, Meat House, Ice House, and all other called upon to show cause why a new Certificate | necessary buildings. There is also a fine site for shall not be issued by the Company in lien of the | a Grist Mill. with a stream of never-failing water. Price \$60 per acre, cash.

210 ACRES PINE TIMBER LAND in the Pine region west of fir sthurg, in Allegany county. The improvements are a house and barn, 45 acres cleared and feaced, about 100 acres heavily timbered with white pice hemicak and that very rare and valuable timber known as Tamvayne, it grows to great beight, combines lightness with strength, and especially valuable for boat ours. , ship mastr, saw milis, carrieges and gates, and large frames; water power sufficient for nawing purposes is on it, and an abundance of good timter around it only accessable through it. The price is about \$15 per acre; if sold soon a little sees would buy it. At the present rates that pine timber is brunging, sawed up in a few years will exhaust it measures bly, what remains must become valuable. This tract especially so from the quality of the timber and other natural advantages; extensive torings &r Petroleum are about 7) 188035 to commence in the same region. This tract is 16. as good a show for it as any ctner in the county, but in this offer for sale muching is claimed for it SILKS,

C'ES. LEE'S SURRENDER. LIAM ZIERAM TO ERAE BUT YE Might had hung her sable meatle, Feetwoned o'er the frowning hosts. While the distant landscape's summit Thiwed the battle's wan sting shosts; Sleep had sought the bleak encampments? Weighing weary epolics down. And the attent picket iintened To a soft approaching scund. Johnny Reb. I come to meet you... We were brothers -oure again I have come upermed to meet you Let me not be heard in vain; Though your rage attent develues To your failing, dying cause, Let us cease this flerce commotion And resume our ancient laws. Let us drep the warlike trappings And renew our civil dress. Happy in the common country You and I were taught to bless: The picker leaning on his musked Pondered o'er what he had heard Then among his comrades hastened Shouting, "feace," a magic word. Boon it reached the Scuthern chieftain And recalled the days of yere. When he lived is peece and pleaty; Contrast now he must deplore:

Then he saw his ragged a my Which he leved of earth most dear. And he saw each brigade dwindle Till he shed a bitter tesr. They were new in droves deserting. At the till Northern's call. For they heard them tell the story Of the suke at Merble Hall Then the chiefteln terest of glory. Baid, "I will surrender all. And permit myself and soldiers To buy clothes at Marble Hall.
