ONE SQUARE CONTAINS SIX LINES OF SPACE.

A YEAR'S SPINNING. BY ELIZABETH BARRETT BEOWELFO.

He listen'd at the porch that day To hear the wheel go on, and on, And when it stopp'd-ran back away-While through the door he brought the su But now my spinning to all done. He sat beside me, with an eath That love re'er ended, once begans

A smiled-believing for us both What was the truth for ealy one, And now my spinning is all done. My mother curred me that I heard A yeung man's wooing as I spus; Thenks, cruel mother, for that word For I have since a harder known!

And now my spinning is all done. I thought-O God! - my first born's cry Bo h valces to my onr would drown: I listen'd in reine agoay-It was the silence made me groun! And now my spinning is all done. Burr me ':wist my mother's grave. Who curred me on her death-bed lone,

And my dead baby's-- (God it save !) Whe not to bless me would not mosn And now my spinning is all done. A stone upon my heart and head, But no name written on the stone! Sweet mich boes! whisper low instead, "This sinner was a loving one-

And now my spinning is all done " And let the door sjar remain. In case he should pass by anon; And leave the wheel out very plain, That He when ressing in the san May see the spinning is all done.

LETTER FROM WASHINGTON. [Correspondence of the Baltimore Clipper.] WASHINGTON, June 9, 1864. The Hasty Spirits and the Opponents of all

Progress.

ly the kinds of opposition which a practical Others of the soldiers made a rush for Margaret A. Hobbs and Mary P. Clark; cross Harlem Railroad........ and predent, though resulate and progressive statesman is always sure to meet from two ber of women stepped in, and succeeded Francis McNally, beating Ferdinand Weiner Michigan Central Railroad......124) very different classes of visionary and obeti- in persuading them to spare his life. nate theorists-I mean, on the one hand, the [ hasty and impatient empiries of the con titu- fought for some time in F street, first one not guilty, prosecuting witnessordered to pay Uleveland and Toledo Railroad. .. tion, and, on the other, the perverse adver- party being victorious and then the other, costs. Adeline Hunter, same charge; not earies of all improvement. The public is [ siready gratified by those utterances of Mr. | Johason which indicate his determination to go on, firm, unbesitating and undirecting, in cinct police, was on the ground promptly Heary Crause, beating Robert Brown; cause the course he briefly delizested during the | with officers Weeden, Walsh and others, sompromised, first week after his accession to the Chief but they were unable, outnumbered as Magistrac". He is not likely to take any other counsel on account of the clamor pro ceeding from those impatient quarters to Colonel Ingraham, Provost Marshal, who which I have alluded; while, deliberately de- promptly sent a guard to the scene of the vising what he deems just and necessary, sale disturbance, and set about arresting the and expedient messures, he may easily dely | rioters. all the censorious criticism from the other and [ Worse class of opposests who are sgalast all real improvement, and who, if they had the bowels ripped open and that, two or three power, would renew over the African race others were shot. It was also reported the reign of slavery—the empire of midnight | that 7 or 8 colored people who were atdarkness !

Now. In reference to the reorganization of Bouthern society, there is a close parallel to the state of things which existed in Great Britain, when the great measure of political and Parliamentary Reform was first extrice? through the Imperial Legislature, by liberal and exlightened Statesmen who understood their epoch, and know the obstacles and dif. ficulties which they were obliged to meet jury of inquest was held by Mr. J. S. and overcome, before they could safely ac. Curtis, Justice of the Peace, when the complish their purpose. An illustrious lead- following facts were elicited:-The muror of the Reform Party, who had consistently | dered woman formerly kept house for Mr. advocated that great object for thirty weary | McConnell, but the people of the neighboryears, well described the class, (correspond hood not approving of it, she had gone lag to those heaty spirits who now assail or away, leaving her two children, one aged sacer at Mr. Johnson) when he called them On the day of the murder the woman had "men possessing great honesty perhaps, much come to see her children. McConnell went real, and no reflection at all." Buch men, in to Monkton in the morning and returned travelling towards their object, are in such a shout moon, considerably in liquor. hurry to set out, and to get three mirutes earlier than all others, that they will not and afterwards the colored woman underwait to put the lined-pins lato the wheel took to correct her daughter for some of COURT OF APPEALS OF MARYLAND.

They would so on a voyage of discovery to fence which she gave while washing the Aran Taxa-1863. They would go on a voyage of discovery to dishes. Mr. McConnell interfered and untried regions, but will not tarry to look if some altercation passed between him and a compess is on board!-and when they see the colored woman. The latter started Satherland-an appeal from the Circuit Court and prices centiene depressed, closing to-day litthe port in view they will not wait five min out the door closing it after her. McCon- for Baltimore city. The argument of this tie better than nominal at 41@ the. for Middings; utes to go round to it; but will lash in among | nell instantly seized a navy rovolver, cause was concluded by Thomas H. Alexander sales of \$75 beles the breakers and run the vessel ashore. They passed out another door, and coming for the appellee and P. McLanghila for the COFFEE-No select of Rio are reported to-cay; would construct an edifice, and raise a buge woman and fired, the ball passing through Na. 3 and maisive pile; but all they look at is the the right thigh into the left, and severing perior Court of Baltimore e ty. Jestice Barthey will not take the trouble to see whether the interiors are useful and comfortable. We constable, but made his escape next morn. have just such basty spirits in this country.

A pracileal etaterman, like Andrew John. son, may respect their good intentions, may acquit them of all that kind of blame; make his respectful obeisance when they get into their carriage, but he will not think it conve nicht to accompany them! He will not go on board their vessel, nor take any share in their building. In plain words, he cannot think purs the amount of cotton around and seatthem sale guides or just judges, and therefore tered at this time throughout the Bouthern amount; same coursel. Henry Bentley vs. Flour is dull and heavy; sales of 75 bbls. at \$5

But if a practical, progressive statesman made low estimates have, within a very short Bill of complaint to enforce the payment of a would have to be submitted to; but most holders differs from those persons, not doubting their time, been compelled to change their opinions legacy of \$500 bequeathed in the will of Wm. | decline to yield, and the business is light; the will differ even more from the other class who reaching this sity from agents who are ex- W.
