THE "FLORENCE" AMERICAN INVENTURS' GREAT TRIUMPH THE SEWINU MACHINE PERFECTED All the objections to other Machines are overcome in the Florence. It makes four different buishes with the same case, and With as little machinery as others make one. Besides, it has the reversible feed motion-a uniform self-regulating tension of thread and no springs, cog-wheels, or came to get ont of order. It does all kinds of Family Sewing, from the heaviest woolens to the most delicate fabrics, using all kinds of Silk. Oction and Linen Thread, from No. 20 to 200. No other MACHINE does so large a range of work as the Florence. No other MACHINE pleases the ladies so well as the Plorence. The Plorence is the only perfect Family Sewing Machine warranted to give entire satisfaction, or money returned. There is no one who owns the Florence would sell it at east. > WHAT THE TRLEGRAPH DID TO A MINISTER. [From the Boston Traveller.]

Of all the freaks of the telegraph, the following is the most laughable which has come under our personal knowledge. Not long since a graduate from one of our Eastern theological schools was called to the pasteral charge of a church in the extreme Southwest. When about to start for his new parish he was unexpectedly detained by the incapacity of his Presbytery to ordain him. In order to explain bis non-arrival at the appointed time, he sent the following telegram to the descens of the church:-"Presbytery lacked a quorum to ordain." In the course of its journey the message got strangely meta-1'. C., on WEDNESD' Y, June 2., 1865, at is e'- descons in this shape: "Presbytery tacked clock A.
