SEWING MACHINES.

THE "FLORENCE" AMERICAN
INVENTOR'S GREAT TRIUMPH.

THE FLORENCE is the greatest invention

All the objections to other Machines are overcome in the Florence. It makes four kinds of stitching, and can be used with all kinds of machinery so others make one. Besides, it has the reversible sewing motion—a feature which no other Machine has. The Florence is a good bill, and is a good bill.

No Miss KATE FISHER will appear as

MADAME.
