or telegraph to any part of the country.

PHILOSOPHY OF HAIRDRESSING.

The Proprietor of the New York Ma-

rket, having given much thought and

consideration to the subject, has

arrived at the following conclusions:

1. Every hair is composed of

two distinct parts, the

one being the hair itself, and the

other the skin or scalp.

2. The hair is composed of

two distinct parts, the

one being the hair itself, and the

other the skin or scalp.

3. The hair is composed of

two distinct parts, the

one being the hair itself, and the

other the skin or scalp.

4. The hair is composed of

two distinct parts, the

one being the hair itself, and the

other the skin or scalp.

5. The hair is composed of

two distinct parts, the

one being the hair itself, and the

other the skin or scalp.

6. The hair is composed of

two distinct parts, the

one being the hair itself, and the

other the skin or scalp.

7. The hair is composed of

two distinct parts, the

one being the hair itself, and the

other the skin or scalp.

8. The hair is composed of

two distinct parts, the

one being the hair itself, and the

other the skin or scalp.

9. The hair is composed of

two distinct parts, the

one being the hair itself, and the

other the skin or scalp.

10. The hair is composed of

two distinct parts, the

one being the hair itself, and the

other the skin or scalp.

11. The hair is composed of

two distinct parts, the

one being the hair itself, and the

other the skin or scalp.

12. The hair is composed of

two distinct parts, the

one being the hair itself, and the

other the skin or scalp.

13. The hair is composed of

two distinct parts, the

one being the hair itself, and the

other the skin or scalp.

14. The hair is composed of

two distinct parts, the

one being the hair itself, and the

other the skin or scalp.
