MEDICAL.

℞ AYER'S
CATHARTIC PILLS
Are the most perfect purgative which we are able to produce or which we think has ever yet been made by anybody. Their effects have manifested a benefit to the community how much they excel the ordinary medicines in use. They are safe and pleasant to take, but powerful to cure. Their ... properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distemper, stimulate sluggish or disordered organs into their natural action, and impart to them that tone which is strength to the whole system. Not only do they cure the every day complaints of everybody, but also formidable and dangerous diseases. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and, being purely vegetable, are free from any risk. All ... have been made which surpass belief, were they not established by men of such exalted position and character, as to forbid the suspicion of untruth. Some of the most eminent and physicians have lent their names for the use of their ... the reliability of our remedies, while others have seat us the assurance of their conviction that our ... preparations contribute immensely to the relief of our afflicted, suffering fellow men.

The Agent below named is pleased to furnish gratis our Almanac Almanac, containing directions for the use and certificates of their cures, of the following complaints:—

Costiveness, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from foul stomach, Nausea, Indigestion, Bad Taste, and Foul State of the Bowels and Pain arising therefrom, Flatulency, Loss of Appetite, all Diseases which require a ... medicine. They also, by purifying the blood and stimulating into healthy action, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia, and ... Irritability, Derangements of the Liver and Kidneys, and ... other kindred complaints arising from a low state of the body, or obstruction of its functions.

Do not be put off by unprincipled dealers with other preparations which they ... more profit on. Demand AYER'S and take no others. The sick want the best aid there is for them, and they should have it.

Prepared by Dr. J. C. AYER & Co., Lowell, Mass., and sold by all Druggists. je 3-2m
