Proclamation of the President. GOVERNOR OF SOUTH CAROLISA-

B. P. PERRY APPOINTED. LANCASTER, Ohio, Jede 26, 1865 -Ma- By the President of the United; jer General W. T. Pherman arrived at his STATES OF AMERICA-A PROCLAMATION. Whereas. The fourth section of the fourth article of the Constitution of the United States declares that the United States shall guarantee to every State in the

> tates is by the Constitution made Com- force of not less than seventy themsand amander in Chief of the Army and Navy, as armed men. The report has gained exwell as Chief Civil Executive of the Uni- tensive circulation and credit among all of the United States, and to take care that it with manifest anxiety, and seem free to the laws be faithfully executed.

the United States against the properly great carnestness and depth. constituted authorities of the Government AVERY PRESCUY LETTER PROMAPRESCH thereof, in the most violent and revolting form, but whose organized and armed forces have now been almost entirely overcome, has in its revolutionary progrees deprived the people of the State of South Carolina of all civil government; And whereas, It becomes necessary and gatious of the United States to the people of South Carolina in securing them in the enjoyment of a republican form of

government. Now. Therefore, in obedience to the high and solemn duties imposed upon me by the Constitution of the United States, and for the purpose of enabling the loyal people. of said State to organize a State Government, whereby justice may be established, domestic tranquility enjoyed, and loyal citizens protected in all their rights, life, liberty and property, I. Andrew Johnson, President of the United States and Commander in-Chief of the Army and Navy of the United States, do hereby apoint Benjamin F. Perry, Provisional lovernor of the State of South Carolina, whose duty it shall be at the earliest praceable period, to prescribe such rules and regulations as may be necessary and proper r convening a convention composed of elegates to and chosen by that portion of the people of said State who are leval to

the United States, and no others, for the purpose of altering or amending the Constitution thereof, and with authority to exercise within the limits of said State all the powers necessary and proper to en able such loyal people of the State of Carolina to restore said State to its constitutional relations to the Federal Government, and to present such a Republican form of State Government as will entitle the State to the guarantee of the Uni ted States therefor, and its people to protection by the United States against invasion, insurrection and domestic violence: rovided that in any election that may be bereafter held for chosing delegates to State Convention, as aforesaid, no person shall be qualified as an elector, or shall be eligible as a member of such convention, unless he shall have previously prominent as secessionists are making blue and white cord and tassels are of anatus taken and subscribed the Oath of Amuesty, as set forth in the President's Procla- sible mation of May 29, A. D. 1865, and is a voter qualified as prescribed by the Constitution and laws of the State of South Carolina in force immediately before the 17th of November, A. D., 1:60, the date of the so-called ordinance of secession-

of electors and the eligibility of persons to hold office under the Constitution and merely to men, but to a profitable result. laws of the State, a power the people of the several States composing the Federal Union have righteously exercised from the origin of the Covernment to the present time. And I do hereby direct First. That the Military Commander of

the Department and all officers and persons in the military and naval service aid and assist the said Provisional Governor in carrying into effect this proclamation, and they are enjoined to abstain from in any way hindering, impeding or discour aging the loyal people from the organize tion of a bitate government herein an.

Second. That the Secretary of State proceed to put in force all laws of the 144. United States the administration whereof belongs to the State Department, applicable to the geographical limits afore-

Third. That the Secretary of the Treasury proceed to nominate for appointment Assessors of Taxes, Collectors of Customs and Internal Revenue and such other officers of the Treasury Department as are authorized by law, and put in execution the revenue laws of the United States within the geographical limits aforesaid in making appointments the preference shall be given qualified loyal persons residing within the districts where their respective duties are to be performed; but suitable residents of the districts shall unt be found, then persons residing in other States or districts shall be appoint

proceed to establish postoffices and post routes, and put into execution the postal laws of the United States within the said tate, giving to loyal residents the preference of appointment, but if suitable residents are not found there, to appoint agents, &c., from other States.

Fifth. That the District Judge for the Judicial District in which South Carolina is included proceed to hold courts withis said State, in accordance with the provisions of the act of Congress. The Attorney General will instruct the proper officers to libel and bring to judgment, confiscation and sale, property subject to con discation, and enforce the administration f justice within said State in all matters within the cognizance and jurisdiction of the Federal courts. Sixth. That the Secretary of the Navy

take possession of all public property belonging to the Navy Department within the days of their political leadership are bor. The body was not recovered. ation all acts of Congress in relation to . Naval Affairs having application to the

Seventh. That the Secretary of the Interior put into active force the laws relating to the interior Department applica ble to the geographical limits aforesaid.
