SEWING MACHINES.

THE "FLORENCE" AMERICAN INVENTORS' GREAT TRIUMPH.
THE SEWING MACHINE PERFECTED.

All the objections to other Machines are overcome in the Florence. It makes four different Stitches with the same needle, and with as little machinery as others make one. Besides, it has the reversible feed motion—a uniform self-regulating tension of thread and no springs, cog-wheels, or cams to get out of order.

It does all kinds of Family Sewing, from the heaviest woolens to the most delicate fabrics, using all kinds of Silk, Cotton and Linen Thread, from No. 20 to 200. No other MACHINE does so large a range of work as the Florence. No other MACHINE pleases the ladies so well as the Florence. The Reputation is the only perfect Family Sewing Machine warranted to give entire satisfaction, or money returned. There is no one who owns the Florence would sell it at cost.

Call and see its operations, whether you wish to purchase or not.

SEWING MACHINES.

On all sides we hear the merits of the
GROVER & BAKER'S
CELEBRATED SEWING MACHINE
extolled. The ladies declare it the "very best," and present it to us so unanimously in this view that we are bound to confess our conviction of the truth of the declaration. What other machine will embroider so beautifully, braid so elegantly, seam so finely, quilt so neatly, stitch so accurately, gather so regularly, operate so easily? NONE, we conscientiously affirm.

The most certain, speedy, and only effectual remedy in the world for Weakness of the Back or Limbs, Strictures, Affections of the Kidneys and Bladder, Incontinuty Discharges, Impotency, Constitutional Debility, Nervousness, Dyspepsy, Languor, Low Spirits, Confusion of Ideas, Palpitation of the Heart, Timidity, Trembling, Dimness of Sight or Giddiness, Diseases of the Head, Throat, Nose, or Skin, Affections of the Liver, Lungs, Stomach or Bowels—those terrible disorders arising from Solitary Habits of Youth—secret and solitary practices more fatal to their victims than the Song of Sirens to the Ears of Ulysses, blighting their most brilliant hopes or anticipations, rendering marriage, &c., impossible.

DR. A. HUET, Graduate of the Medical Faculty of Paris, (France,) Member of the National and Chirurgical Faculty of Baltimore, MD., is the discoverer of the only Herbal Remedy for the cure of a private character, without Mercury or noxious drugs. Recent cases cured in from 15 to 45 hours, or with a guarantee. Chronic, inveterate and complicated diseases, such as have been abandoned as incurable, are speedily and permanently cured. The treatment adapted by this is that which has the approval of one hundred distinguished Physicians, and its universal success in a practice of 40 years has proved, beyond a doubt, that the worst cases easily yield to, and are thoroughly removed from the system, forever—the nitrate, copaiba, cubebs, and all cases of constitutional debility, nervous diseases, which soon or late turns to consumption, and all the evils resulted by certain pernicious practices which weaken body and mind, unfitting the victim for either business, study, society or marriage, and to those who are suffering the evil effects of imprudent indulgences, of whatever kind, can now be perfectly restored to natural health and vigor, in a brief period, by applying to one whose skill and experience can be relied on. *No mercurial or other nauseous drugs used.*

Patients consulted by letter and remedies forwarded that can be taken in the most delicate and private manner.

STATE AGENCY
FOR THE
DISTRIBUTION OF INFORMATION
CONCERNING
FARMS IN MARYLAND.

MARYLAND FARMS FOR SALE
IN EVERY COUNTY.
From $1,000 to $60,000 and Upwards.

The following is a partial list of Farms I have now for sale, comprising some of the most attractive Tracts and Finest Estates in Maryland:

FARM of 253 acres situated in Howard county, on the county road three miles west of the Relay House, 10 miles from the city of Baltimore. It is approached from the Washington turnpike on the south and from the county road from the west and north. The land is in good condition, twenty-five bushels of wheat per acre and other crops in proportion, has been raised; has an abundance of pure spring water and is considered one of the healthiest places in the State; has an abundant supply of fruit of all kinds, about 300 trees just coming into bearing this season. The garden of about two acres has a large supply of grapes of various kinds; raspberries, Lawton blackberries, gooseberries, currants, strawberries, dwarf pears, &c., &c. Two never failing streams of pure spring water pass through the place, watering every field one of which supplies a large pond of fine fish, which is never known to freeze with ice. The improvements are a seven rough cast dwelling house 54 by 40 feet with very large back buildings built in the most substantial manner of every description, about 8 acres woodland. Price $7,500.

FARM of 1,011 acres, near Cove Point Light House, in Calvert county, fifty miles from Baltimore, and near one of the landings of the Patuxent line of steamers; 400 acres under cultivation, and balance in oak hickory and chesnut timber. Improved by a good Dwelling and Barn, good fencing, &c. Price $12 an acre.

FARM of 90 acres, about two miles southwest of Unity, in Montgomery county. Improvements are a dwelling, barn, &c., in tolerable good condition. The principal attraction of the place is its excellent adaptation for Mills of any kind, at present a small Grist mill on the premises. Rented last year for $250.

FARM of 115 acres, 14 miles from Baltimore, on the Reisterstown road, near Owings's Mills, Baltimore county; 25 acres arable, balance in good timber. Improved by a good Frame Dwelling, Stone Spring House, &c.—Excellent water in every field. Price $6,000. Terms easy.

FARM of 573 acres on the Annapolis and Elk Ridge Railroad, at the station known as Patuxent Furnace, 22 miles from Baltimore; the Washington Railroad, at the head of Patuxent river; 400 acres are under cultivation, and the balance is in young timber. The land is of excellent quality, and the site unsurpassed in regard to health and scenery. Two apple orchards and other fruit trees are on the place. An unsurpassed water power site for a factory, with race and mill-dam complete, formerly used for a large iron furnace. Improvements consist of a large and substantially built mansion house, with a fourteen feet wide hall, and piazza in front, surrounded by green trees. The house contains 14 or 15 rooms, and is built of brick. Several tenant houses, farming utensils and stock can be had on the premises if desired. Price $70,000. The other improvements are a store at the Station, rented for $400, barns, tobacco houses, &c. The whole improvements worth $25,000.

FARM of 500 acres, situated 30 miles south of Washington, very near the Potomac river and within half a mile of Clymont Landing. The steamboats are running from there to Baltimore and Washington every day.

The soil is of fine and productive character, well adapted to the growth of Corn, Wheat and Tobacco, Melons and Fruit, and every kind of vegetables—it would make a splendid market garden. Four hundred acres are of arable land, and the other portion cedar, oak and pine. The Farm abounds in springs of never-failing water; it is situated in a healthy and pleasant neighborhood, convenient to churches and demonstrative. Price $40,000.

MEDICAL.

AYER'S
CATHARTIC PILLS
Are the most perfect purgative which we think has ever yet been made by anybody. Their effects have abundantly shown to the community that such is the case. In the ordinary medicines in use—they are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow disease, stimulate sluggish or disordered organs into healthful action, and impart a healthy tone with strength to the whole system. Not only do they cure the every day complaints of everybody, but also formidable and dangerous diseases. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children.—Being sugar-coated, they are pleasant to take, and, being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief, were they not substantiated by such men of the highest position and character, as to forbid the suspicion of untruth. Many eminent clergymen and physicians have sent their names to certify to the public of the cures of their families, while others have sent us the assurance of their conviction that our Preparations contribute immensely to the relief of our afflicted, suffering fellow men.

Each agent below named is pleased to furnish gratis our American Almanac, containing directions for the use and certificates of their cures, of the following complaints:

Costiveness, Biliousness, Dyspepsia, Rheumatism, Dropsy, Heartburn, Headache arising from foul state of the Stomach, Nausea, Indigestion, Morbid inaction of the Bowels and Pain arising therefrom, Flatulency, Loss of appetite, All diseases arising from a disordered state of the Stomach, and requiring an evacuant medicine. They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia, and Nervous Irritability, Derangements of the Liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body, or obstructions of the functions.

Do not be induced by unprincipled dealers with other preparations which they make more profit on, to accept AYER'S and take no others. The sick want the best aid there is for them, and they will find it here.

Prepared by Dr. J. C. AYER & Co., Lowell, Mass., and sold by all Druggists. jy3-3m
