RMINDLE From the Cincinnati Commercial of June 27, we have the following:

We yesterdry published the particulars of a \$3,500 confidence game-one of the beariest ever played in this city—and we now present the facts in connection with another extensive operation of a similar and which presents an exhibit of most made a round among the different receme and individual, in elegant attire, and of most gentlemanly manner and appearance, made application yesterday morning a the Burnet House for two connecting rooms—one for himself and wife, and the committed for trial by Justice Spicer." other for his daughter. He made an entry on the register of Mr. and Mrs. Chartrons

and daughter, of St. Louis, stating that bis companions, with the baggage would arrive on the next train. As there was nothing whatever about his appearance or manner to awaken sus picion, the rooms were promptly placed at his service. Shortly after, the same individual might have been seen entering from W. T. Picard, No. 37 North Cay size-t the jewelry store of Wm. Wilson McGrow, John Magan, for assenting H. M. Hareb. on 4th street. He stated that he wished field. Committed by Justice Spicer. George that even at present America has n t much to to make some purchases of jewelry, dia- Brigher and Mary Brigher, for assaulting and monds, &c., for his wife who was at the bearing George Floyd, a boy. Committed by Burnet House. She had desired to ac- Justice Bhowacre. Carnellis J. Breton, company him, but had sprained her ankle | ored, for defecting the property or Mary Her while trying to enter a hack. The horses had started suddenly, and thrown ber to the ground; it was a piece of wretched carelessness on the part of the driver; be wondered if these public carriages were owned by any reponsible person, &c. The fellow's neat attire, gentlemanly appearance, and perfectly-at-home menner had, as may well be supposed, an immense effect upon the courseous jeweler, who immediately consented to send one of the salesmen to the hotel with a valuable assortment of jewelry.

The isalesman, with his box of valuables found the pretended Chartrous in No. | the deferre. The court so jou ned until Mr. C. stated that his wife was in the next room, No. 111, where a physician was dressing her injuries, and that if no objection was made he would take them in for her inspection. The salesman con- | vie," as follows: Each in his turn puts on asonted to have a few articles taken in at a time. He heard the attentive husband ask, "How do you like these, my dear; do you not think these diamond car-rings are charming," &c , then there was a tiently for the fastidious wife's decision as to choice. He waited long, and still the lavishly inclined husband returned but detected no sound, either of endearing expressions, of thanks, of dissatisfaction, or of pain as or physical sufferring; he applied his eye to the aforesai | key hole, and nought but blank walls and unoccupied chairs and beds met his anx ions gaze; not even the glitter of those magnificent diamond ear-drops, the value of which were near unto a thousand dolof attempting to blue up to here of Mr lars, cast their scintilations athwart his McGes, coupled by l'atrick Mozary, No. langing optics.
