SEWING MACHINES.

THE "FLORENCE" AMERICAN INVENTORS' GREAT TRIUMPH.
THE SEWING MACHINE PERFECTED.

All the objections to other Machines are overcome in the Florence. It makes four different Stitches with the same ease, and with as little machinery as others make one. Besides, it has the reversible feed motion—a uniform self-regulating tension of thread and no springs, cog-wheels, or cams to get out of order.

It does all kinds of Family Sewing, from the heaviest woolens to the most delicate fabrics, using all kinds of Silk, Cotton and Linen Thread, from No. 36 to 200. No other MACHINE does so large a range of work as the Florence. No other MACHINE pleases the ladies so well as the Florence. The Florence is the only perfect Family Sewing Machine warranted to give entire satisfaction, or money returned. There is no one who owns the Florence would sell it at once.

Call and see its operations, whether you wish to purchase or not.

SEWING MACHINES.

On all sides we hear the merits of the
GROVER & BAKER'S
CELEBRATED SEWING MACHINE
extolled. The ladies declare it the "very best," and prove it to us in so many undeniable facts that we are bound to confess our conviction of the truth of the declaration. What other machine will embroider so beautifully, braid so elegantly, hem so faultlessly, quilt so evenly, stitch so accurately, gather so regularly, operate so easily? None, we conscientiously affirm.

CONCERNING
FARMS IN MARYLAND.

MARYLAND FARMS FOR SALE
IN EVERY COUNTY,
From $1,000 to $60,000 and Upwards.

The following is a partial list of Farms I have now for sale, comprising some of the most valuable Tracts and Finest Estates in Maryland:

FARM of 220 acres situated in Howard county, on the county road three miles west of the Relay House, 10 miles from the city of Baltimore. It is approached from the Washington turnpike on the south and from the county road from the west and north. The land is in good condition, twenty-five bushels of wheat per acre and other cereals in proportion, have been raised; has an abundance of pure spring water and is considered one of the healthiest places in the State; has an abundant supply of fruit of all kinds, about 2,000 trees just coming to bearing this season. The garden of about 6 acres has a large supply of grapes of various kinds; raspberries, Lanster blackberries, gooseberries, currants, strawberries, dwarf pears, &c., &c. Two never failing streams of pure spring water pass through the place, watering every field one of which supplies a large pond from which the ice house is supplied with ice. The improvements are a stone rough cast dwelling house 54 by 40 feet with very large back buildings built in the most substantial manner 6 years ago by the then owner for his own occupancy, and no expense having been spared to make it complete in every respect. A wide piazza extends the whole front of the house. The first floor consists of a parlor, sitting room, dining room, library room, a large and substantial fire proof safe, and wide hall running through the centre of the house, side room, large kitchen and detached kitchen, and wood house on same level. Second floor contains six large chambers in main building, two bed rooms, bath room, &c., in back building every room except the parlor have large and very convenient closets; hot and cold water throughout the house, bells in each room, also gas pipes throughout the house; a large, dry cellar under the whole house; Obelisco's largest size furnace, heats the entire house; cooking range, &c., in kitchen; in short, every convenience usually found in a modern house. The house stands on an elevated position from which nearly all parts of the farm, and from its roof the city of Baltimore, as well as the surrounding country for many miles, can be seen, and is surrounded by oak, hickory and chestnut trees of large size, as well as a profusion of evergreens. The other improvements consist of an ice house 20 feet square, with a double coat of frost ice, winter and summer dairy, one of the best constructed barns in the county, 61 by 50 feet, which is supplied with water, overseer's house, &c. The hen house and corn crib are of unique construction and considered to be superior.

FARM OF 127 ACRES on Mill Creek, two miles from Annapolis, 120 acres under cultivation, balance in timber. The soil is rich and adapted to the growth of grain, fruit and vegetables. Would make a fine truck farm. The improvements are, dwelling house of five rooms, and manager's house, of four rooms, fine barn, corn-house, stable for ten horses, ample feed and harness rooms, carriage house and house for farm hands. The improvements are mostly new. There are three pumps of fine water on the premises, all three in the house with good fences. There is a fine lawn in front of the dwelling, with young fruit and ornamental trees. Within half mile of the place is an Episcopal and Methodist Church, Penitence and School-house. Price $100 per acre.

FARM of 420 acres in Howard county, 12 miles from Baltimore, on the Washington railroad and Turnpike. 250 acres in under cultivation and the balance lying immediately adjacent to the railroad, is susceptible of easy cultivation. This tract will be divided into three farms, one containing 150, one of 100, and the balance containing the improvements, sold separately. Has an excellent water power and facilities for milling. Improvements are a good dwelling and outhouses. Price $20,000. Terms easy.

FARM of 400 acres on or at the mouth of the Threadhaven river, which empties into the Choptank river 7 miles from Oxford. 200 acres in wheat or corn land, or any kind of cereal, and about 200 acres of valuable timber. Improved by a fine mansion erected at cost of $10,000, and all necessary outbuildings. Contains plenty of good fruit. Three oyster coves, two of the best ducking points in the State, with a plenty of all kinds of fish within a fifty yard of the door. Price $100 per acre—liberal reduction for cash.

DESIRABLE RESIDENCE on the seven miles from Snow Hill, Worcester county, opposite the residence of Judge Ira Spence; very beautiful dwelling, large and comfortable, about 14 acres of fine arable land attached; growing fruit of the choicest description; about 6 acres woodland. Price $2,500.

FARM of [illegible] acres, near Cove Point Light House, in Calvert county, fifty miles from Baltimore, and near one of the landings of the Patuxent line of steamers; 400 acres under cultivation, and balance in oak, hickory and chesnut timber. Improved by a good Dwelling and Barn, good fencing, &c. Price $12 an acre.

FARM of 50 acres, about two miles southwest of Unity, in Montgomery county. Improvements consist of Dwelling, Stable, &c., in tolerable good condition. The principal attraction of the place is its especial adaptation for Mills of any kind; at present a small Grist mill on the premises. Heated last year for $250.

FARM of 115 acres, 14 miles from Baltimore, on the Reisterstown road, near Owing's Mills, Baltimore county; 85 acres arable, balance in good timber. Improved by a good Frame Dwelling, Stone Spring House, &c.—Excellent water in every field. Price $6,000. Terms easy.

FARM of 572 acres on the Annapolis and Elk Ridge Railroad, at the station known as Patuxent Furnace, 2½ miles from junction with the Washington Railroad, at the head of Patuxent river; 400 acres are under cultivation, the balance is in young timber. The land is of excellent quality, and the site unsurpassed in regard to health and scenery. Two apple orchards and other fruit trees now on the place. An unsurpassed water power site for a factory, with race and mill-dam complete, formerly used for a large iron furnace. Improvements consist of a large and substantially built mansion house, with a fourteen feet wide hall, and piazza in front, surrounded by green trees. The house contains 14 or 15 rooms, and was built at a cost of $8,000. The other improvements are a store at the Station, rented for $400, barns, tobacco houses, &c. The whole improvements worth $25,000.

FARM of 540 acres, situated 30 miles south of Washington, very near the Potomac river and within half a mile of Clymont wharves. The steamboats are running from there to Baltimore and Washington every day.

The soil is of a fine and productive character, well adapted to the growth of Corn, Wheat and Tobacco, Mellons and Fruit, and every kind of vegetables—it would make a splendid market farm. Four hundred acres are of arable land, and the other portion in oak, chesnut, cedar and pine. The Farm abounds in springs of never-failing water; it is situated in a healthy and pleasant neighborhood, convenient to churches of all denominations, post office, &c. It has on it a good Dwelling House, good Out Buildings, such as a fine large Barn, Stables, Corn House, Granary, Overseer's House, good quarters for laborers, Meat House, Ice House, and all other necessary buildings. There is also a fine site for a Grist Mill, with a stream of never-failing water. Price $60 per acre, cash.

220 ACRES FINE TIMBER LAND in the Pine region west of Frostburg, in Allegany county. The improvements are a house and barn, 45 acres cleared and fenced, about 100 acres heavily timbered with the best hemlock and other valuable timber known as Tamvayne, it grows to great height, combines lightness with strength, and especially valuable for boat ores, oars, clear stuff, saw mills, carriage and general large frames; water power sufficient for sawing purposes is on it, and an abundance of good timber around it only accessable through it. The price is about $10 per acre; if sold soon a little less would buy it. At the present rate that pine timber is bringing, sawed up in a few years will exhaust it measurably, what remains must become valuable. This tract especially so from the quality of the timber and extensive railroad facilities. extensive borings for Petroleum are about to commence in the same region. This tract is as good a snow for it as any other in the county, but in the offer for sale nothing is claimed for it upon that score.

FARM of 187½ acres, 22 miles from Hood's Mills and same distance from Sykesville, being on the Baltimore and Ohio Railroad, it is also distant 15 miles from Ellicott's Mills and 25 miles from Baltimore. Naturally fine soil, and well improved by lime and ashes, 110 acres cleared and in cultivation, now growing fair crops of wheat, rye, corn, oats, potatoes and grass, divided into six fields, supplied with pure water, (as is also the barn yard,) and all under good fencing, and as is also the wood lot, the latter containing 30 acres of black oak and hickory, two fine apple orchards of choice fruit, and a few cherry trees. Improvements:—Plain, comfortable dwelling, containing six rooms, and a small out-barn for hands, barn, stabling, two tobacco houses, dairy, with never-failing cold water spring near the dwelling; cow, smoke, carriage, and hen-house.—Price $70 per acre. Liberal terms.

A DESIRABLE COUNTRY RESIDENCE, three-quarters of a mile North from the Relay House, on the Northern Central Railway, 14 acres of good improved land attached; dwelling contains 10 rooms. There is also a new stone, stable, spring house and ice house on the premises.—Fine location, having a fine view of Bonn Lake and adjacent country. Price $7,000 in cash, and time.

FARM of 110 acres in Caroline county, fronting on a public road, very convenient to post office, church, school, &c.
