SEWING MACHINES.

THE "FLORENCE" AMERICAN INVENTORS' GREAT TRIUMPH.
THE SEWING MACHINE PERFECTED.

All the objections to other Machines are overcome in the Florence. It makes four different Stitches with the same ease, and with as little machinery as others make one. Besides, it has the reversible feed motion—a uniform self-regulating tension of thread and no springs, cog-wheels, or cams to get out of order.

It does all kinds of Family Sewing, from the heaviest woolens to the most delicate fabrics, using all kinds of Silk, Cotton and Linen Thread, from No. 20 to 300. No other MACHINE does so large a range of work as the Florence. No other MACHINE pleases the ladies as well as the Florence. The Florence is the only perfect Family Sewing Machine warranted to give entire satisfaction, or money returned. There is no one who owns the Florence would sell it at cost.

Call and see its operations, whether you wish to purchase or not.

Samples of sewing with price list, sent free by mail.

SEWING MACHINES.

On all sides we hear the merits of the
GROVER & BAKER'S
CELEBRATED 66 WING MACHINE
extolled. The ladies declare it the "very best," and prove it to be in so many undeniable facts that we are bound to confess our conviction at the truth of the declaration. What other machine will embroider so beautifully, braid so elegantly, hem so faultlessly, quilt so evenly, stitch so accurately, gather so regularly, operate so easily? None, we conscientiously affirm.

MEDICAL.

℞ AYER'S
CATHARTIC PILLS
Are the most perfect purgative which we are able to produce or which we think has ever yet been made by anybody. Their effects have abundantly shown to the community how much they excel the ordinary medicines in use. They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purify and cure the humors which breed and grow distemper, stimulate sluggish or disordered organs into their natural action, and impart a healthy tone which strength to the whole system. Hence they do cure every day complaints of everybody, but also formidable and dangerous diseases. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children.—Being sugar-coated, they are pleasant to take; and, being purely vegetable, are free from any risk of harm. Have you the liver complaint which surpass belief, were they not substantiated by men of such exalted position and character, as to forbid the suspicion of untruth. Many eminent clergymen and physicians in diffferent parts of the country certify to the public the reliability of our remedies, while others have sent us the assurance of their conviction that our Preparations contribute more than the relief of our afflicted, suffering fellow men.

The Agent below named is pleased to furnish gratis our American Almanac, containing directions for the use and certificates of their cures, of the following complaints:—

Costiveness, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from foul stomach, Nausea, Indigestion, Morbid Inaction of the Bowels and Pains arising therefrom, Flatulency, Loss of Appetite, all Diseases which require an evacuant medicine. They also, by purifying the blood and stimulating into healthy action the several organs of which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body, or obstruction of its functions.

Do not be put off by unprincipled dealers with other preparations which they make more profit on, tell you are the same, or just as good. The sick want the best aid there is for them, and they should have it.

Prepared by Dr. J. C. AYER & Co., Lowell, Mass., and sold by all Druggists. je 2-3m
