PROBABLE ARRIVAL OF THE GREAT KASTERN. is within three or four miles of the shore. At all events, Mr. Ketchum is absent. Plage are seen gaily flying from her.

BECORD DISPATCH. HEART'S CONTEXT, Aug. 14, via ASPY BAY, Aug. 15-The Schooner "First Fruits," from Cardiff, arrived in Harbor Grace, N. F., this morning and makes th following report:

On the 6th of August, at 4 o'cleck A. M., saw the Great Eastern and the Brit- to day's prices. ish war steamer Terrible. At 6 o'clock A. M . saw a beacon buoy with a flag upon it, marked as follows, "Great Eastern excitement in money circles in conse-

At noon the Terrible came near the First Fruit and received information from her of the bearing of the beacon buoy. Terrible reported that the cable was parted on

the 2d of August. The position of the beacon bucy was lat. 51 deg. 40 min., north, long. 35 deg. The weather here is quite mild, but

thick fog prevails.

From Fort Monroe.

FORT MONROE, Aug. 14 -The prope. ler Titan sailed hence for Hilton Head ers. yesterday, but was compelled to return, her machinery getting out of order soon after passing outside of Cape Henry .-She was towed back, arriving here this morning.

The United States frigate Constitution or Old Ironsides sailed hence this morning. A sale of government horses took place . to-day at Camp Hamilton, at prices varying from 825 to \$100. These horses were turned in from the 11th Pennsylvania and 20th New York Cavalry.

A sale of government horses also took place at Eastville, Eastern Shore, to-day, under direction of Col. Blunt, Quarter-

Wm. Evans and John Belcher, who were arrested about four weeks since charged with stealing \$500 from Sergt. Miller, Company B, 21 Pennsylvania Artillery, have been honorably acquitted to the military authorities.

railroad disaster occurred this morning on tent of \$255,000, having negotiated some the Housatonic rail road. The morning of the forged certificates. freight train going up became disabled. The last seen of young Ketchum was in lity of persons acting under the direction (26 miles several miles above Bridgeport, and the a trunk store on Broadway, where he had of the Chief of the Division. 10 30 train following, found it on the 'some fifteen packages of money, thought track and hitched it on and backed to. from a glance to be as much as \$60,000 wards Bridgeport with it. It so happened A card from the President of the 4th that a new engine was out for trial on National Bank says that the bank is perthe track, and coming up about three feetly sound, and that the carnings for the miles above Bridgeport, ran into the rear last six months largely exceed the amount of the passenger train: The locomotive of the forged certificates held. struck the hind car and split it in two. passing directly through. The boiler burst just as it reached the second car from the rear, making awful havoc --Seven persons were killed outright and eleven others were terribly mangled and

scalded.

ANOTHER ACCOUNT. freight train was sent up the Housatonic things, and are willing to adopt the policy road this forenoon. By an accident to the and measures of the National Adminiscylinder of the engine, the freight train tration. stopped about three miles from this city | The army worm was ravaging acres in and a flag was sent back by the conductor! Wharton county, Texas to warn the passenger train of the danger. Major General Mawer has succeeded When the latter train came up it bitched General Granger in command at Galveson to the freight train and was slowly ton drawing it back to Bridgeport, when near Pegronnies Mills the train was met by a mentioned as the probable appointee on locomotive coming up the track on trial. the United States Supreme Court bench.

At the curve of the road the new engine came suddenly in collision with the train backing down. Several of the cars were who was convicted last week in the Court entirely demolished, the engine going of Quarter Sessions of counterfeiting and literally through the passenger car. NASHVILLE, August 15 .- Major Dick cCann, formerly of the rebel army, who made himself conspicuous as a cavalry leader in this State, was arrested yesterday on the charge of being a member of the court martial who hung several Union citizens at Knoxville, during the war.

[From the Louisville Journal.]

THE POTOMAC AND OHIO RAIL-We promised a short time ago to refer more in detail to the importance of a direct railway system from Louisville to the Lastern cities on the Atlantic

We now ask the earnest attention of all | partment. who are interested in the prosperity of the cities at the Falls of the Ohio to what we hoose to call the Potomac and Ohio Rail-

The proposed line will embrace the Louisville and Lexington Railroad on the west, the Orange and Alexandria Rail road to Gordonsville, the Virginia Central Railroad from Gordonsville to Milboro and a connecting link yet to be construct had for some time taken the place of his of meeting any expense in detecting, bring-fed between Milboro, Va, and Lyzington,

The entire distance by this route from ! This, it is believed, answers in full the Mr. Deeker a short time. Louisville to Washington will be five undred and forty miles. Two hundred and eighty miles of this distance is com- | want. pleted, leaving yet to be constructed two hundred and sixty miles. The importance of this route will be

manifest by the following tables of com-POTOMAC AND OHIO RAILWAY LINE. Louisville to Washington, 549 miles. Louisville to Baltimore, 5-0 miles. Louisville to Philadelphia, 67: miles. Louisville to New York, 765 miles. St. Louis to Washington, 313 miles. St. Louis to Baltimore, 858 miles St. Louis to Philadelphia, 956 miles. St. Louis to New York, 1,043 miles.

Indianapolis to Washington, 64" miles. JEFFERSONVILLE, CINCINNATI, BALT MORE AND OHIO ROUTE. Louisville to Washington, 745 miles. Louisville to Baltimore, 723 miles. Louisville to Philadelphia, 721 miles Louisville to New York. 200 miles. St. Louis via Cincinnati to Washing

ton, 945 miles. St. Louis via Cincinnati to Baltimore St. Louis via Cincinnati to Philade hia, 1,024 miles St Louis via Cincinnati to New York

Indianapolis via Belair to Wastington JEFFERSONVILLE, INDIANAPOLIS, AN PITTSBURG ROUTE.

Louisville to Washington, 916 miles. Louisville to Baltimore, 276 miles. Louisville to Philadelphia, who miles Louisville to New York, 535. St. Louis to Washington, 1.070 miles St. Louis to Baltimore, 1,030 miles St. Louis to Philadelphia, 1,014 miles. St. Louis to New York, 1,959 miles. In these tables we have a wonderful

emping of facts. The statistics collected carefully from Apppleton's Rail-From these tables we learn that there first commercial arrival here from that Major General of Volumeers, to be dated Kinney for attempting to pass a county will be rated in dutance as follows: From Louisville to Washington, 205 miles. Louisville to Baltimore, 143 miles. Louisville to Philadelphia, 143 miles. Louisville to New York, 143 miles. St. Louis to Washington, 130 miles. St. Louis to Baltimore, 68 miles. St Louis to Philadelphia, 38 miles.

St. Louis to New York, 46 miles. Indianapolis to Washington, 74 miles. Here it is seen that Louisville can be and night to be on the highway between the Atlantic seaboard and the great West. The proposed line will be, beyond all inture competition, the shortest line from Louisialle to tideuxier, and must become one of the most important thoroughfares in the United States. As a through rout between St. Louis and New York, it wil be shorter by forty-six miles than any

now in operation.
