TIES.

The accounts that come from Tennessee not encouraging to contemplate, when we note the spirit that influences too many in from the war. A disposition is manifested personal; to perpetuate the enmittee en- | been inserted. gendered by the events of the war: a disposition which cannot be too earnestly deprecated by all who desire to see the South rise from her disabilities and place herself again in cordial amity with States lately at variance with ber. The want of wisdom which precipitated the conflict was great enough, full surely;—it would be more glaring still, when with the fight betwixt the Government and the rebellions communities at an end, individuals here and there take upon themselves to perpetuate ill feelings, which just to the extent they prevall, are perfectly suicidal so far as a needed restoration to quiet and to general prosperity is in the case. We sain, resulting from exposure or unhealthy acsay, we are reluctant to believe in the una of the secretions. sold by all respectable THE CELEBRATED TALLES BROTI continuance of these troubles; and yet the Druggists, Perfamers and Halr Dressers. Wm. accounts of them are so direct and couclu- H. Read, 147 Bultimore street, General Agent. sive, that both government and people will be compelled to take note of them and to remedy them somehow. And that our readers may understand what shape they assume, and how needful it is to end this wrong doing, we quote from a late num- College and Thiesenapero Institute. For The Magic Latters, ber of the Nashville Press, the greater Circulars and College Paper, address portion of an article especially devoted to | autom setting forth the character of the evils in question:

"The large majority of those who style | are pursuing a course which will inevita. | Haltimore. temey upon the great section in which they profess to feel, and doubtless do feel, a deep interest. We give them credit for flourish. Nevertheless, we assure them that the feelings which they cherish, and the views which they disseminate, will, it they prevail and shape our domestic policy, make us beggars in purse, and diminish our population. We suppose Miss Emma E. Walters, of this city. that all friends of the South who regard themselves as henceforth citizens of the United States, desire to increase her political power in the Federal Congress as speedily as possible. Representation is William Francis, aged 8 months and 7 days, based on population, and consequently increase of population is a pre-requisite F. Stewart, is the 5th year I his age, son of to an increase of representation. But the tendency of the policy of the injudicious and 27 days, infant caughter of Alexander friends of the South is to repel immigration, and expel every man, black and white, who has been a uniform, consist- WESS, of this city, has just arrived from the entire cure from Humphrey's Homespethic Speent, realous supporter of the Union, from the beginning. Consider a few facts for a riety of Fall and Winter Hats ever brought into and has cured thousands. Price \$1 per box, mx moment.
