THE SULTHERN TRADE OF BALTI-MORE

Editor of the Clipper:—The opening of a large trade with the South is no less in order to do this, the people must suscheering than of immense importance to tain his measures and strengthen his THIRTY-FOUR GREAT ARTISTES OF our city. The many projects mentioned, hands by electing unobjectionable repreand the commendable exertions started on | sentatives to the General Assembly and foot to place us in direct trade with Liver- | Congress .- Richmond Republic, 11th. pool and other European ports, are of the PRESIDENT JUHISON ON NEURO most interesting character.

There is one important link in the chain intended to bind Baltimore and the South ern ports in one common interest, the im- | explains the position of the Union party | portance of which has been too long over. | and of President Johnson on the question | looked, and must new be speedily wrought of negro suffrage: out to secure the full value and importance of our Southern trade. There are at this time a large number of Southern merchants in our city, many of whom are paying off part of their tormer indebted. ness, and renewing commercial relations with their old houses; others again who are buying largely for cash and short credits, (notwithstanding the hue and erg of some that no good can come out Nazareth,) much to the apparent satisfaction of all parties concerned.

sels of all descriptions to load and sail stitution which makes each House the strees, however expert, can sew as chesp as these regularly to the Southern ports from Norfolk to Florida.

duced them to purchase heavily at Balti- | shall guaranty to every State in the Union | ing their friendship and trade, have voluntarily paid the freight on many goods to be forwarded via New York, in order to insure ready transit. This may do for the present; but if we are to have ships load ing at and departing regularly from the port of Baltimore direct to Europe, we | tion. must have the products of the South sent direct to Baltimore by every possible method of its being so done, so as to induce shippers to make this their choice market This would doubtless be the case if ready put in her poetet, observing naively that she transportation could be at once afforded.

What we want in addition to vessels to separate Southern ports, is vessels loading | all," said the lady, "you ere mistaken in the | for several of the lower Southern towns, and which would carry goods to Savannah and as far down as Appalachicola and the Florida ports, touching at each, going and returning. This is done by many of the Northern vessels, and a good thing made out of it generally. Can not some enterpriz ing citizens get up similar lines from Baltimore? A hint to the wise is sufficient. It ought to be done at once, and a large and paying freight would present itself -The immense amount of business doing in Baltimore with the South demands it, of pert and wharf charges, there exists against Baltimore the idea that many lit. tle hindrances of this sort are suffered to remain in our port detrimental to the commercial interests of our city.

Men who would be truly loyal in their public administration of city affairs, should be looking beyond the mere routine of metropolitan police regulations. They should read and examine what is making other cities.

Our business men, capitalists and other Citizens should all join shoulder to shoulder in pressing forward the future destiny . of Baltimore. Start an idea of any great cards. improvement in the Western city of Chicago, and millions are at once started to put it in immediate execution. Go look at her cattle and swine pens, wheat elevators and other improvements on the grandest scale. Return to the monumental city, possessing more advantages than Baltimere. any other in the world to make it more desirable as a place of residence, and what do we find but a lamentable groveling, political bitterness which has, up to this hour, nearly sapped the very existence of ry S. Sanderson, formerly of Baltimore, to Messra, Smith, Bros. & Co., No. 40 West Ral- of our soldiers after all other messas failed; in our commercial prosperity. Go ahead. We Margle E. daughter of the late Stephen H. Wilson, U.S. N. must "root little hog or die." Now is the time; let every man in the community feel himself called upon to press forward the well being of Baltimore, despite the unfortunate political troubles which apnear for a time to hang over us. The darkest hour of night is just before the break of day. Men where loyalty has tion, John T. Scarborough, in the 39th year this reason: that while it contains no solvbeen in their pockets, must soon stand out of the way when the sweeping trade day, 4th instant, after one week's illness, teeth, it obliterates tartar and every other of the uprising country shall again assume Margaret J. SECRETARY SEWARD AND SUITE VISIT MICHMOND.

The Hon. William H. Seward, United States Secretary of State, accompanied by his daughter, Miss Seward, and his son Frederick and tady, arrived at Rocketts yesterday at neon on the Government ex cursion steamer River Queen, Captain Bradford. The party left Washington on THER ICE WITCH! Saturday evening and had a quick and pleasant trip down the Potomee, through THE ICE WITCHE the bay and up the James.

l'erry and Governor Pierpout, having been apprised of their expected arrival, met them at the beat. The Secretary and THE ICE WITCH! his daughter were assigned seets in Ab open barouche with the Governor and THE ICE WITCH General Terry, while Mr. Prederick Bewand and lady were escorted to another carriage by General Hawley. The whole party then proceeded up Main street, passing through the burnt district. At the corner of Ninth street the hindmost vehicle, containing General Hawley and Mr. Frederick beward and lady, broke down, whereupon Captain Millwood, of the Spottswood Hotel, tendered him the use of his new four-horse omnibus, which they accepted, and after only a brief detention, moved on again in their tour sight-seeing. On reaching the corner of Office. Fourth and Main streets they turned and went out to Gamble's Hill, where they enjoyed a fine view of the city, Manchester and the surrounding country. They then moved out Third street to Grace, and

down Grace to the Governor's mansion, where their sojourn was necessarily brief, as they had made arrangements to leave the city for Washington early in the afterdoon by the same route they came. At a quarter past three the River Queen, with Our advertising agent for the city is two distinguished party on board, moved from the wharf and proceeded down the James with flags flying. Mr. Seward expressed bimself as highly

pleased with Richmond, and promised to the advertising line can be return in October with his family and accept the kind kospitalities of the Governor. He also proposes at that time to Frece. visit various other sections of Virginia. THE PRESIDENT'S VISIT.

card of Charles Palmer, Esq., one of the committee appointed by a meeting of citi zeus to wait upon President Johnson and uis Cabinet and invite them to visit Richmond. Mr. Palmer was kindly received by Hon. William H. Seward, introduced to the President, and extended the invi tation. The President accepted it, spoke kindly of Virginia, and promised to do all in his power to relieve their distress: but

SUPPRAGE. The following letter from Secretary Harlan to George B. Edwards, of Iows,

The real question at issue in a national point of view, is not whether negroes shall be permitted to vote, but whether they shall derive that authority from the Na. Wholesale and setall. W. MERRILL, Agent, tional Government or from the State govcrnments respectively.
