1 Year..... 30.00 ONE SQUARE CONTAINS, SIX LINES. OF SPACE NO RIGHT IN HEAVES.

No night shall be in Heaven-no gathering lation. Money is scarce; the means of anciesess that we have ever seen assembled. Shall o'er this glorious landscape ever come | throughout the bouth is comparatively a | provided. These who have not seen yours No tears shall fall in sadness o'er those flow No night shall be in Heaven-no dreadful planting from various causes, is exceed. may be secured at the clics during the day.

Of mental darkness, or the tempter's power, to think of the sufferings which, if some Across those skies no envious cloud shall To dim the sunlight of the enraptured soul. Those eyes no more their meurnful vigil destitution. Their fountains dried, their tears all Wiped They gaze undazzled on eternal day.

No night thall be in Meaven-no sorrows No secret anguish-no corporeal pain-No shivering limbs--- no baraing fever thes No soul's eclipse-no winter of despair. No night shall be in Heaven-but endiess no: No fast declining ain or waning moon: But there the Lamb shall yield perpetual light. 'Mid pastures green and waters ever bright.

No bed of death, no silence of the tomb. But breezes ever fresh with love styl truth. Shall brace the frame with an immortal youth. No night shall be in Heaven! But alght is The night of seriow -- and the night of fear. I moura the ills that now my sters attend. ALG shrink from others that may jet impend No night shall be in Heaven! O had I faith To rest in what the faithful witness saith-That faith should make these hidecus phantonia And leave no night, hencelouth, on earth to me.

LETTER FROM WASHINGTON. WARRINGTON, Bept. 10, 1865.

That fliestrious statesman and crater, used these remarkable words:

checks, and perhaps, in the last resort, nearly gereres the whole, would give but an imperfect view of the government of England." If this is true of Great Britain, how much

constitutions of the several States, with the true spirit: workings of their gubernstorial and legisla tive departments.

of the times, there is nothing now on which For Assembly they have a private, one of tooth, found on the farm of Jeest Hill, Aliepablic opinion is more determinately fixed seven brothers who served their country gany township. Westmoreland country than the necessity of reform, and the obitgs. faithfully in the field, but three of whom From the appearance of the tooth the saims! tion of public men to aid and co-operate with lare still alive. For Associate Judge, the President in his fixed resolution to bring they have nominated a sergeant, right back the Administration to its original per." have also a sergeant whose right leg was ty, simplicity and business like character of lost in the service. For County Treathe Government in the early, days of the Ke. | surer, they have a private, left arm off at public.

Of all the statesmen of our day, there is none who is more steadily, earnestly, and per" esveringly premeting this great and good a musket with him in the service. For barbarities perpetrated on the negro populawerk than the Secretary of the Tressery .- ant, a man over fifty, who is a veteran ? Like the President, he is emphatically a la double sense. For County Surveyor strictly business man. If Mr. McCullect | they have a private, and for County Authinks of party, at all, in connection with ditor an adjutant who is slightly wounded his administration of the department over The Huntingdon Globe says that every which he presides with unsurpassed ability, it man is fully competent for the position must require very sharp optics, I ween, to ace for which he is named." any trace of that wretched element.

Politics, of course, he is thoroughly con versant with, but it is politics in the high and ; comprehentive some of that term, as includ ing the messures deemed necessary to the prosperity, the salety, and the dignity of a 17 great mation—it is still more particularly that but, says a correspondent, "there is no dering the rebelling, by protecting and probranch known specially as political economy, doubt that the intelligent portion of the caring the sale of leading Flour is quiet, with sales of buperdae at \$5 00 DR. 1-UPONCO S GOLDEN PILLS. embracing the science of figures, with which | population look out for a terrible visita-, rebits k cated in that city, among them John to is, perhaps, as well, if not better acquaint | tion.
