OVER THE RIVER. Over the river they becken to me, Loved once who've passed to the other sid The gleam of their snewy robes I see Rat their voices are lost in the dashing tid There's one with ringlets of sunny gol

He crossed in the twilight gray and sold. And the pale mist hid him from met We saw not the angels who mot him there, The gates of The City we could not see! Over the river, ever the river, My brother stands ready to Welcome me.

Over the river the Boatman pale. Carried another-the household bet: Her bright carle waved in the gentie gale-Darling Minule, I see her yet! She crossed on her becom her dimpled hand And fearlessly entered the phantom buri We watched it glide from the silver sand And all our sumshine grow strangely dark We know she is safe on the other side. Where all the ransomed and angels be: Dver the river, the mystle river.

For neae return from these quiet shares Who cross with the Bestman cold and bine: We hear the dip of the golden corp. We catch a gloom of the mayy sail: They cross the streets and are gone for aye We cannot sunder the well apart. That alder from our vision the gates of day; We only knew that their banks no more Shall sail with ours on life's stormy sea Tet somehow I keps on the unseen shar-

My child bood's idols are walting for me.

They watch and becken and wait for me. And I sit and think when the sunset's gold Is flushing river and bill and shore. I shall one day stand by the water cold, And list to the sound of the Bostman's ear. I shall watch for the gleam of the flancing sal I shall bear the boat as it gains the strand shall pass from sight with the Beatman pale To the better shore of the Spirit Land! shall knew the level who have gone before And jostally sweet will the meeting be. When over the River, the peaceful Bivar, The Angel of Death shall carry me!

LETTER PROM WASHINGTON [Correspondence of the Baltimore Clipper,]

WASHINGTON, Bept. 13, 1865. The President's Policy to the South-His Rebubs of Protentious "Organs"-The Ludi crows Tribulation of the Swiss Awards. The President's Address to the Bouthern ers who called upon him on Menday last, is universally considered here the most impor tent and significant declaration that has ye emanated from him. He spoke out more fully and distinctly than on any previous occasion scatiments and the element exposition of his matured policy.

There was one remark which, delivered with peculiar emphasis, ought to be borne in mind, so as to protect the President from requiet, repudiation of all such publications as breathe a different spirit from his own. "Let "these, said he "not trouble nor excite you "Biates more complete and perfect than ever, "and to maintain it on constitutional princi-

trate that so many persons, cficial and unofficial, doesn it necessary to not themselves up as expounders of his feelings, thoughts and principle of action ! The country will be glad whenever, die

carding these pretentions organs, Mr. John. son can gracefully take occasion to speak for

class of political Swiss carmiers of the per into the most ladierous tribulation. They were afraid to praise, lest some of the great leaders of a different persuasion might ch ject-they were afraid to censure, because they are not quite prepared, as yet, to come out against the President-to they said noth ing! It would be a blessing to the country if they would be always as retioent; and they might acquire some ebaracte: thereby if, ut. without pain .- Panema Star. fortenately, it were not wall understand that they are only waiting for the alges from th

faglemen of the different cl iques. Ose of the thirgs that are doing much for the President with the American people and self-reliance and undependence. He needs no | Tears: prompting. He is neither a dependant, a begging or borrowing man for his idean or sentiments, or his course of public policy. Com pero his speech of Monday with the attoran-Cas of most of those who have audaciously and comembat varietiently aremed to be exponents before the public, on the hustings, and through the press, and you see at cace the superiority of a man who declares his awn of Illinois, Grand Junior Warden: Sit ever the pretenders of the hour.

It was indeed delightful to behold the emoworn and bream d countenance as the expres sicks of the President came guiling out from | Chard bu warm heart. He said he was not prepared for so large an assemblage. As little were they prepared for such a greating as they refrom the beart.

It was as if the pen: up emotions of years for these when he had lessed from childhood had burst forth. You could see the working of the strong man with these uncontrollable feelings, in that strongly marked countenance; the quivering lips, the moistened eyes, the broken and pathetic voice. Not a feature, not a limb, but spokel

And his auditors responded with equal feelthe great scenes of public business in Ameri. ca and Europe, withersed such a genuine cut- House," with its legends of witches and in Wanth and others; decree passed ratifying baret of hearty emotion from men who are diams says: "The Natford family, consisting sales beretofore reported, including a farm in habitually restrained from more sentimental, of a brother and sister, have for seventy Baitimore county. tem. The cirtinguished geatleman who was deputed to arswer for them did only the sim. plest justice when be designated the President's sentiments as in the highest degree and have mady visitors during the summer. genercus and megannimous. They touched some of his auditors so rearly as to make them turn aside to conceal, what Wordsworth so servatives, of the strictest school."- Boston heely calls-

"The sacred source of sympathetic tears." A lady who happened to witness the whole ! scene, and to hear the words of the President attended an anotion sale of unredeemed Gitze, Judge. The following business com--and who was by no means prepossessed in trunks and cld carpets at Barnum's Hotel pied the attention of this court yesterday: favor of the Bouthrons,-said, in reply to a Jesterday. An old leather trunk was sold to eriticism from a Radical who thought Mr. a Mr. Hogan for \$12 and the constable gave -decree for costa. Jubanen had shown a Southern face, "oh no trunk to the feetsmith who succeeded in "do not talk so. He is God's President. ERGLIMMANT IDEA OF THE COURTEY AND ITS DEST. At the dinner at the McHeary House,

You have made great sacrifices for your beboodes ave as You as You has flowed, the result of the struggle will be to coment a bond of union which a fature time will ever sever. The weeld says you have accumulated a mighty debt. Well, the figures de look large; but it may be some consoction to know that your debt is not large as ours, the figures being as eigh

And over the reduction of Henven's owl hundred million pounds sterling. The interest at present will be at a greater rate of charge in your country than on own; but such is the enormous extent of your territory, and such its rapid development, and such. I believe, the self-reliant attitude of your people, that no difficulty

> trade policy, that by the showing of the chase, sale or shipment to the North has exceeded the total value of our entire i equi your people would consume as much as the entire national debt you have incurred. [Laughter.] Look at the railway whose completion we are here celebrating. Why, it has cost one sixth of your national debt, and yet it has been subscribed mainly by foreign capitalists during the eriod of your struggle, and the receipts show it to be a highly remunerative in

Again, let me refer to another fact:-

We pay in London on cab hire and omnibus hire yearly, in that single city, M much as the income and property tax of our entire kingdom; and when I look to the enormous development and rapid in crease of the population and wealth of your country—when I look, for instance, at the oil districts over which I have passed to-day, where I saw evidences o unexampled wealth and prosperity on lower every side, and where I saw in one place where on the first of June last not a singl shanty had been erected, at the presen time, on the 9th of September, four dred houses finished and inhabited, two churches built, six banks established, two telegraph stations, and the extension o the Atlantic and Great Western Railway, begun only four months since, within month of its completion—I say, sir, when see such facts as these, there is nothing

or make you feel that you have incurred and his remarks will be accepted throughout | responsibility which you cannot honorably the nation as the deliberate expression of his meet. I say, sir, though we cannot too much deplore all the blood shed and its lamentable consequences, there is nothing for you to deplore in your future. You have only to bese your taxation equitably fairly, and in such a transparently bonest way that every class may see that none ! iponsibility for the speeches and writings of are unfairly treated. lie true to your side twice, inflicting two wounds of a 17-Sanday | 5 43 | 6 7 other mee, who put themselves forward as | selves, and the world will not be slow to | the volunteer interpreture of his views and appreciate your position and do you full each in diameter. The wounded man fell

AGAIN ENFORCED IN PANAMA .-One of the most atrocious pieces of bar "but believe that it is the great object of the | barity ever perpetrated since the dark "Government to make the Union of these ages, is that reported to have been inflicted on Sunday night last on a sailor of the American schooner General Harney. Soon after the arrival of the vessel port the unfortunate man was arrested It is a great assoyance to the Chief Magis. and placed in jail as a witness to prove that the Harney had brought rebel troop from Beunaventara and landed them near Panama. The authorities being unable to get any statement to that effect by fair means from the prisoner, put him on the rack, in order to force false evidence from him against the vessel and her owner .-The man says he was suspended by th himself, as he did to these Scuthern gentle. | heels, and his legs pulled apart until he thought be should be torn in two, but be The speech of Monday threw a certain still maintained the truth that no troop were brought on the vessel. In this way he was tortured until his tormentors feared that they had carried their brutality too far, and he was released from his fearful position. During the torture the man retained his senses, and stoutly de fended the innocence of the captain an owner of the vessel, but on being set at liberty be fell senseless to the ground.— The poor follow's legs are sadly swollen

and mangled, and he could hardly move MASONIC OFFICERS REPUTED.—At the triennial concluve of the Grand Encamp ment of Knights Templars of the United States of America, in Cteveland last week. the following officers were elected and inthe world at large, is his brave and absolute stalled to serve for the ensuing three

It grows to great height, combines lightness with strength, and especially valuable for boat oars. ship masts, saw mills, carrieges and gates, at large frames; water power sufficient for sawing purposes is on it, and an abundance of good time. ber around it only accessable through it. The rrice is about \$15 per acre; if soid soom a little sees would buy it. At the present rates that pice i timber is bringing, sawed up in a few years will exhaust it measureably, what temains must become valuable. This tract especially so from the quality of the timber and other natural advan-I tages, extensive borings for Petroleum ere about to commence in the same region. This tract is iss good a show for it as any other in the county, t but in this offer for sale nothing is claimed for if

t missa that score.
