SEWING MACHINES C'ROVER & BAKKR'S FIRST PREMIUM REASTIC STITCH AND LOCK STICK SEWING MACHINES.

Wherever known the GROVAR & BAKER Sewing Machine is acknowledged to be superior to all cibers. They require no re-winding of threat. Are more more sumple and more easily managed than any other. Always ready for work and do ratictles of work which no o'he Marhico pretends to do. We speak from experience when we say that after having tried all the principal newing machines. we must accord to that of Grover and Baker the pre-eminence. Those indispensable festures of sewing-strength, uniformity, and elasticity-all of which are brought out in this Incomparable invention, make it the first sewing machine in the country. - New York Christian .
