THE ALABAMA CONVENTION MONTGOMERY, Ala, Sept. 15.-In the State Couvention yesterday nothing o importance was done except the announcement of Standing Committees, and the offering of a resolution repudiating the State debt, incurred during the war. To-day resolutions were introduced, setting forth that the object of the Convention was to adopt measures necessary to restore the State to its proper relations with the Covernment of the United States, by the accomplishment of which the duty of the Convention at its present session will be performed. That it will not be expedient until the next session to make a change in the Constitution of the State except the adoption of an ordinance resame, acknowledging the abolition of tary of Lord Palmerston, 500; Right Hon. closing the ports to the Wasachusett.

FOREIGN NEWS.

THE PENIAN MOVEMENT.

THE PERIARS. Private advices received in New York through special channels from Dublin, bring the news that on the 5th instant the British Lord Lieutenant in Dublin, had . "proclaimed" four Femien counties, Tip. perary. Limetick, Cork and Kerry. These are the counties where it is understood the Feniane are most powerfulsome fifty thousand of them, it is assertpublic" in one county alone.

The intelligence seems to be of the

most vital moment to the Fenians, as "proclaiming" a county under the Parlisment statutes amounts to a species of martial law. Under the "Arms act." "Peace Preservation act," and others. the Lord Lieutenant has power, in grave contingencies, to thus proclaim a district or even the whole of the country, and the terms of the proclamation may be such as Martha, Martha Second, Mercury and to empower the seizure of arms, search of Bundown. suspected premises, and even the arrest THE RAILWAY PRINCES TO VISIT ter, Directors of the Union Bank, London, squadron on that coast. have the matter considered. He thought return to Raleigh, he called on it desirable that a committee should be O'Brien, the manager of the telegraph in 119, showing a decrease from last year of appointed to investigate the circumstances this State, who assured him that no such and 43 from the number reported in under which the loan was contracted, and dispatches had been forwarded from the showing evidently, taking into consideration what securities had been given by those Raleigh office. who brought forward the loan. They would inquire whether the agents had any I money in their hands to be applied in liquidation of the loan. He would not give any opinion himself, but he had high authority for stating that the individual States were severally liable for a proportionate amount of the loan. He also thought that the Pederal Government were internationally, as well as morally, bound to one nation which conquered the Confederate States, another nation, and the former being now the de facts Government of the latter, he thought they were bound to pay the debts contracted by the Confederate States. It resulted from a decision of Vice Chancellor Wood in a recent case that the Federal Government were liable.

After some discussion it was agreed that a committee, consisting of the chair man, Mr. Chamberlain, and Mr. Morgan, a large bondholder, should be appointed to tain them. act, and to report the result of their action

to a meeting to be held on the lath o STRANGERESULT OF THE MEETING-THE SHARES GO DOWN

The bonds on the 5th declined one per cent., the proceedings at the meeting affording little ground for hope to the bond-HOLDERS. The London Star turns the meeting into ridicule, and expresses its doubts as ;

to the opinion of the "eminent Queen's counsel" which was there referred to. As o the proposal to send a deputation to President Johnson, it offers Punch's advice to "persons about to marry"—Don' Mr. Johnson is a stern man. He has evidently belief in wholeseme discipline. Mr. Davis be has fast enough, and it is just possible that he may take a view o the British bondholders slightly different from what they take of themselves. Mr Seward, too, having so narrowly eacaped of the six per cent, cotton loan filtrated through Richmond and Canada, may be be borne is mind that the Government not very complaisant; and the story of the little bell and Fort Lafayette, if not otherwise worth much, will have served some good purpose if it prevents our distressed bondholders from carrying the joke too far.

A Paris letter says there is no prospec of a reconciliation between the Empero and Prince Napoleon. According to returns by the authorities of Marseilles, there were 73 deaths in that city on the 30th August, of which 29 were caused by cholers; at one o'clock on the afternoon of the 31st there were 50 deaths The fall in the price of corn had become more general.
