OF SOUTH CAROLINA. NEW YORK, Sept. 19 .-- The steamer Quaker City has atrived from Charleston

on the 16th. The Currier contains Governor Perry's message to the State Convention. He acknowledges the death of slavery and councels a wise, just and humane treatment of the freedmen, by which they may become as strongly attached to the whites as whilet they were slaves. Legislation, he tays, will be required to regulate the relative duties of employer and employee. The Governor suggests changes in the State Constitution, making it more popular and Republican in form.
