MEDICAL.

DR. A. HUET, (Graduate of the Medical Faculty of Paris, (France,) Member of the Medical and Chirurgical Faculty of Baltimore, &c., is the discoverer of the only Remedies for Diseases of a private character, without Mercury or noxious drugs. Recent cases cured in from 12 to 48 hours, on written guarantee. Chronic, inveterate and constitutional diseases, such as have been abandoned as incurable, are speedily and permanently cured. The treatment adopted by Him is that which has the approval of the most distinguished Physicians of Paris, and its universal success in a practice of 40 years has proved, beyond a doubt, that the worst cases readily yield, and are thoroughly removed at once and forever from the system, especially in cases of constitutional debility; nervous diseases, which soon or late turns to consumption, and all the evils entailed by certain pernicious practices which ruin both body and mind, making the victim for either business, study, society or marriage, more or less unfitted.

Those unfortunate sufferers who are suffering the evil effects of improper indulgences, of whatever kind, can now be perfectly restored to natural health and vigor, in a brief period, by applying to one whose skill and experience can be relied on. *No mercurial or unprofessional charges.*

Distant Patients consulted by letter and remedies forwarded that can be taken in the most convenient and private manner.

Office southeast corner of FAYETTE and FREDERICK STREETS. jy19-1y

PHILOSOPHY OF MARRIAGE.

The Proprietor of the New York Museum of Anatomy have determined, regardless of expense, to issue free, (for the benefit of suffering humanity, and suppression of quackery,) some of their most interesting and instructive Lectures on Marriage and its disqualifications. Nervous and Physical Debility, Premature Decline of Manhood, Indigestion, Weakness of Impotency, Impotency, Loss of Energy and Manly Power; the great Social Evil, and those Diseases which result from youthful follies, excesses of maturity, or ignorance of Physiology and laws of nature.

These invaluable Lectures have been the means of enlightening and saving thousands, and will be forwarded free, on receipt of four stamps, by addressing the Secretary, New York Museum of Anatomy, No. 618 Broadway, New York. ap24-1y

PHARNUM'S COUGH CANDY!

"HE THAT HATH AN EAR TO HEAR, LET HIM HEAR."

BALTIMORE, Nov. 17, 1856.

The duties of my business have exposed me to coughs, colds and asthma and pulmonary affections. I have been deprived of the power of attending to the duties of my profession, and would have been laid up for a long time if the use of your MEDICATED CANDY. I tried it but a few hours before I began to feel the advantages of its effects. MY COUGH AND HOARSENESS LEFT ME—MY LUNGS ARE HEALED.

And by a perfect quality improved. I therefore have no hesitation in adding my testimony to that of the many who have experienced the benefits from your valuable Cough Candy. WILLIAM MERCER.

THE NEW LINE STEAMERS

FOR FORTRESS MONROE, NORFOLK, CITY POINT, PETERSBURG, RICHMOND AND ALL OTHER CONNECTING POINTS.

THE NEW LINE STEAMERS

Leave Spear's Wharf, Foot of Gay St., Baltimore,

DAILY, AT SIX O'CLOCK P. M.

The steamers of this Line are all new, and their remarkable speed is due to their construction, the most approved modern models of the fast Hudson River Steamers having been adopted.

The superiority of their models gives them a great advantage over the Boats of the old style of naval construction, and the newness of their boilers and machinery guarantees to the public their perfect safety.

It is hardly necessary to inform our patrons that with their powerful machinery and fine water lines that they do not require the slightest approach to "racing" to enable them to attain a much better rate of speed than any Boats in these waters.

The New Line is composed of the following elegant and well known powerfully fitted up with Saloons and single and Family State-Rooms:

GEORGE LEARY, Captain Blakeman.

JAMES MAY, Captain Landis.

CITY POINT, Captain Tallman.

DICTATOR, Captain Dooling

MAGENTA, Captain Hanlon.

The tables are supplied with every luxury the markets afford, and equal to first-class hotel fare, and notwithstanding the superior advantages offered to the public in point of elegance, comfort, safety and speed, the fares are as low as by any other line.

They connect with the elegant New Line steamers for Cherrystone, Mathews county and all points on the eastern shore of Virginia, and also with the steamers for Newport News, Smith's Point and all other points in North Carolina.

Passengers Transferred to and from all Depots, and Baggage handled free of charge.

They navigate the Chesapeake entirely in the day, thus affording passengers time for seeing the fortifications, Dutch Gap and other objects of interest.

FARE FROM

Baltimore to Fort Monroe..... $5.00.

" " Norfolk..... 6.00.

" " City Point..... 7.50.

" " Richmond..... 8.00.

The proprietors of the line are now negotiating for one of the most superb and fast Steamers of the Hudson river to run on the James river, and intend to make their line the permanent institution of Baltimore, and, grateful for the very large share of patronage they have already received, request a continuance of the public favors.

Passengers taking the 1.15 train from Philadelphia, make sure connection with this line.

Passengers taking the 2 P. M. train from Washington, make sure connection with this line.

Passengers taking the 8 A. M. train from New York, will have time to dine in Baltimore and make connection.

Be sure and inquire for tickets by the New Line, and take no other.

WASHINGTON, D. C.

The animals to be sold in October are superior to any heretofore offered to the public. The majority of them are sound and serviceable.

It is expected that at this series of sales all the surplus Government animals will be disposed of. Buyers should therefore avail themselves of this last opportunity to purchase.

Animals will be sold singly.

Sales to commence at 10 A. M.

Terms cash, in United States currency.
