METHODISM IN KENTUCKY.

The Cincinnati Commercial says: We learn that defection from the Methodist Episcopal Church South is going on at all the principal points within the Kentucky Conference. At Lexington the Church nearly unanimously declined receiving the preacher sent by Bishop Kavanaugh. From other points we have seen letters from the leading laymen expressing great dissatisfaction with the action of the late Conference. In some of the changes, the Methodists, it is true, will not disown any man who voted for the minority report, which favored the perpetuation of the Church South. In Newport, as our readers have seen from our daily report of current events, the level of mind of the people has greatly increased in the last month from the rebellion imposed upon them. In Covington some of the principal members of the Scott street Church have held a meeting, and when they passed a resolution to withdraw from the Church, and thus relieve themselves from the support of a Ministry and Church that has committed itself against reunion. From indications we incline to the opinion that the preachers of the Kentucky Conference greatly, if not to a decided extent, voted to re-unite with the Methodist Episcopal Church. The untrue course of the Conference will create discontent everywhere among the Churches.

THE CITY COUNCIL.

First Finance.—President, James Young; 1st Vice-President, and a quorum of members, Mr. Landis presented the summons of Mayor T. Turner, and John W. H. H. to erect a colliery on the square bounded by Ann, Jefferson, Durham and Orange streets; referred to the Committee on Manufactures; referred to Mr. Wm. M. Crawford and others stating that they tell no encroachments from Brown & Jackson's quadrants were referred.

Mr. Knott presented the remonstrance of Mr. G. C. and Mr. E. C. Smith, against allowing Morris, Marr & Merritt to keep open their bowling saloon after 11 o'clock at night, and thus interfere with the health of John Head, and twenty-five others, asking for the building of a bridge over Jones' Ditch street; referred to the President of the Louisville and Nashville Railroad Company.

Mr. T. C. Tammert, of the Central Railroad Company, presented a bill for \$100,000 to New York Central Railroad.
