Registration Form

Welcome to the State Archives, the historical agency and permanent records repository for the State of Maryland. We are pleased to be able to assist you, whether you are requesting needed governmental documents, performing historical research, or investigating your family heritage. Our friendly and capable staff will help you find your materials among the nearly four hundred years of recorded history entrusted to us.

Our first duty as public servants is to insure the safety both of the visitors to the Archives and the documents in our care. We annually review our patron registrations. As part of that review, we ask that you read, accept, and abide by the regulations governing access to the Archives, a copy of which has been provided to you. While some of the rules and fees for service may seem at first arbitrary or unusual, they are the result of experience both here and at other archives and libraries around the world. Our goal is to insure that future citizens of Maryland and the United States will enjoy the same opportunities to use these resources and learn about the past as you have. I hope your visits here are pleasant and rewarding. If you have any concerns regarding the operation of the Archives, please do not hesitate to bring them to the attention of the staff or, if necessary, to me. We look forward to serving you.

Timothy D. Baker
State Archivist and
Commissioner of Land Patents
