## E X P I R I N G :

In <sup>uncertain</sup> Hopes of a Resurrection to LIFE again.

[XXI<sup>th</sup> Year.]

THURSDAY, October 10, 1765.

[N<sup>o</sup>. 1066.]

**W**E are sorry, heartily sorry, to acquaint the Public in general, and our good Customers in particular, That this GAZETTE will not any longer be Published [for some Time] for Reasons already given, which cannot but be known. It is true, it might have liv'd Three more Weeks, before that **Dooms-Day**, the dreadful First of *November*; but as this Week's Paper [N<sup>o</sup>. 1066,] compleats the Year with all our old Customers, as well as finishes the Seven Years PARTNERSHIP in it, between the **PRINTERS**, and that **dismal Day** being near at Hand, it ceases Now.

A Paper by Way of POSTSCRIPT, SUPPLEMENT, or APPENDIX, to this GAZETTE, is design'd to be Printed each Week, (without any Charge to the Customers, in order to Publish some Advertisements, &c. &c.) until the above Time.

B O S T O N, September 23.

**I**N Capt. Hulme from London, is come about 14 Boxes of stamped Paper, designed for the Use of this Province, New-Hampshire, and Rhode-Island; — those for Connecticut 'tis said were to be forwarded in a Vessel bound to New-York. Capt. Hulme was guarded in by the Jamaica Sloop of War and Galleon Cutter, and now remains at Anchor in King Road under their Protection: 'Tis said those detestable Stamps are to be lodged at the Castle, and there to remain till further Orders from Home, there being at present no Demand here for such a superfluous Commodity.

On a Motion made and seconded, it was unanimously Voted, That the Hon. James Otis, Esq; the Moderator, the Hon. Samuel Welles, Esq; the Honourable Harrison Gray, Esq; the Honourable Royall Tyler, Esq; Joshua Henshaw, Esq; John Rowe, Esq; and Mr. Samuel Adams, be a Committee to draw up and transmit, by the first Opportunity, to the Right Honourable General CONWAY, now one of his Majesty's Principal Secretaries of State, and to Colonel ISAAC BARRE, a Member of Parliament, several Addresses, humbly expressing the sincere Thanks of this Metropolis of His Majesty's ancient and loyal Province of the Massachusetts-Bay; for their noble, generous, and truly patriotic Speeches, at the last Session of Parliament, in Favour of the Colonies, their Rights and Privileges: And that correct Copies of the same be desired, that they may be deposited among our most precious Archives. Also voted, That those Gentlemen's Pictures, as

soon as they can be obtained, be placed in Faneuil-Hall, as a standing Monument, to all Politeness, of the Virtue and Justice of our Benefactors, and a lasting Proof of our Gratitude.

Attest. WILLIAM COOPER, Town Clerk.

It is reported that Sir GEORGE SAVILLE, Sir WILLIAM BAKER, and some others, Members of Parliament, spoke in Favour of the Colonies as well as General CONWAY and Mr. BARRE, but it is only the Speeches of the latter Gentlemen that have as yet been seen in Print.

The happy Prospect of the great PITT's being again, under His Majesty, at the Head of Affairs, affords the strongest Hopes, that the Grievances, which the Nation and her Colonies are under, will be redressed, and that the Liberties of America will be restored. It is the Opinion however of some, that we ought to rejoice with Caution, for until the Eyes of the People at Home can be cleared from the Dust which has of late been thrown into them, the Stamp-Act, so truly shocking to the Colonies, will remain a Favourite with them. A Repeal of the Act is not certainly to be depended upon, therefore every prudent, justifiable Expedient in our Power, must still be used, to bring on, if possible, so necessary an Event.

NEW P O R T, September 23.

A Gentleman of Veracity and Knowledge in England writes, that he is assured, from undoubted Authority, that the new Ministry are determined to be very favourable to the Colonies, in particular with Regard to the Extension of their Commerce.

H A R T F O R D, September 23.

Last Wednesday Afternoon, a large Company of able-bodied Men came to Town (on Horseback) from the Eastern Parts of this Government, and informed those who were willing to join them, that they were on their Way to New-Haven, to demand of the Stamp Officer of this Colony to resign his Office, that a Number of their Companions, were gone on the lower Roads, and that they had all agreed to rendezvous at Branford, the next Day [Thursday] and that they should tarry in Town that Night; they then dispersed to different Parts of the Town for Lodging. In the Evening, Advice was received, that Mr. Ingersoll was on the Road to this Place, that he would be in Town the next Day, and that he intended to apply to the Assembly for their Protection; and it being conjectured, that he might come to Town in the Night, to shun the Mob (who he had heard were on their Way to pay him a Visit) it was agreed that a Watch should patrol the Streets all Night, to prevent his coming in unnoticed, but they made no Discoveries. On Thursday Morning, the whole Body, including a considerable Number from this Town, set off, on their intended Expedition, and in about an Hour met Mr. Ingersoll, at the lower End of Weathersfield, and let him know their Business; he at first refused to comply, but it was insisted upon, that he should resign his Office of Stamp-Master, so disagreeable to his Countrymen; after many Proposals, he delivered the Resignation mentioned below, which he read himself in the Hearing of the whole Company; he was then desired to pronounce the Words, LIBERTY AND PROPERTY, three Times, which having done, the whole Body gave three Huzzas; Mr. Ingersoll then went into a Tavern, and dined with several of the Company: After Dinner the Company told Mr. Ingersoll, as he was bound to Hartford, they would escort him there, which

they did, to the Number of almost Five Hundred Persons on Horseback. After they arrived in Town, Mr. Ingersoll again read his Resignation in Public, when three Huzzas more were given, and the whole Company immediately dispersed without making the least Disturbance.

Mr. Ingersoll's (alias *Negrofoli*'s) Resignation.

Weathersfield, September 19, 1765.

**I** DO hereby Promise, that I will never receive any Stamp'd Papers, which may arrive from Europe, in Consequence of an Act lately passed in the Parliament of Great-Britain, nor officiate in any Manner as Stamp-Master, or Distributor of Stamps, within this Colony of Connecticut, either directly or indirectly. And

I do hereby notify the Inhabitants of this his Majesty's Colony of Connecticut, (notwithstanding the said Office or Trust has been committed to me) not to apply to me, ever after, for any such stamped Papers, hereby declaring, that I do resign said Office, and execute these Presents of my own free Will and Accord, without any Equivocation, or mental Reservation.

In Witness whereof I have hereunto set my Hand.

J. INGERSOLL.

P H I L A D E L P H I A, October 3.

We hear that the STAMP'D PAPER for this Province is arrived in Capt. Holland, who lies at New Castle under the Protection of one of his Majesty's Sloops of War. It is impossible to conceive the Consternation this melancholy News has diffused thro' this City—Rage, Resentment and Grief, appeared painted in every Countenance, and the mournful Language of one and all our Inhabitants seems to be FAREWELL! FAREWELL LIBERTY!—AMERICA, AMERICA! Doomed by a premature Sentence to SLAVERY! —Was it thy Loyalty—Thy Filial Obedience—Thy Exhausted Treasures—and the Rivers of Blood Shed by Thy Sons, in extending the GLORY OF THE BRITISH ARMS, provoked Thy Mother-Country thus UNJUSTLY to involve Thee in Distress, by Tearing from Thee, the Darling Privileges of Thy Children?—Or, was it the Perfidy?—But I cannot proceed—Tears of Vexation and Sorrow Stop my Pen! —Oh! MY COUNTRY, MY COUNTRY!—

At a Meeting of the Lawyers at the Supreme Court, held at Perth-Amboy, on the 20<sup>th</sup> ult. like true born Sons of Liberty, and Lovers of their Country, the Chief Justice having proposed the following *Queries*, agreed and came into the under mentioned *Resolves*, which will always redound to their Honour.

First. Whether if the Stamps should arrive, and be placed at the City of Burlington, by or after the first of November, they would, as Practitioners, agree to purchase them, or any of them, for the necessary Proceedings in the Law?

Resolved, by the whole Body N. C. they would not, but rather suffer their private Interest, to give Way to the Public Good, protesting at the same Time against all indecent or riotous Behaviour, which they will discountenance, by every Means in their Power, to preserve Order, and by an absolute Refusal to make Use of the Stamps, and other quiet Methods, endeavour to obtain a Repeal of the Law.

Second.

**THIRD**  
**Second.** Whether it was their Opinion, that should the Act take Place the Duties could possibly be paid in Gold and Silver?

Answered by the whole Body, It could not be paid in Gold and Silver even for one Year.

**Third.** Their Opinion was desired, whether, as the Act required, the Governor and Chief Justice to superintend the Distributor, he should be obliged to take Charge of the Distribution of the Stamps by Order and Appointment of the Governor, if he should think proper to fix upon him for that Office?

Answered and advised not to take it upon him, the Governor not being empowered by the Act to appoint, or if he was, it was left to the Chief Justice's Option, and that it would be incompatible with his Office as Chief Justice.

We hear the Speaker of the New Jersey Assembly has wrote to all the Members to meet at Princetown to appoint some of their Body to go to the Congress at New-York.

Capt. Moor, arrived here from Senegal, advises that there has been a Disturbance between our People and the Moors, which in May last came to an open Rupture, the Moors having attacked and carried a Fort, about 300 Miles up the River Senegal, called Padore, then drove all the English Vessels out of the River, and continue skirmishing with the English wherever they meet them. Some Time in May 7 or 800 of them attacked a Schooner, Capt. Devonshire, belonging to New-York, and laying at an Anchor in the River, killed and wounded five of his Men, and would have foormade a Sacrifice of the Rest, as about 20 of them, under the Fire of the Rest, had taken to the Water with an Intent to swim on board, and he being unable to make any Resistance, if Capt. Moor had not at that critical Time come to his Assistance, who being acquainted with a great Number of the Chiefs, went on Shore in his Boat through the thickest of the Fire, with fair Words and some Presents distributed among them, with which they were well pleased, they were persuaded to cease firing, then went off and left the Vessels to pursue their Business.

ANNAPOLIS, October 10.

The following ought to have been inserted in our Gazette last Week:

To his Excellency HORATIO SHARPE, Esq; Governor and Commander in Chief in and over the Province of MARYLAND:

The humble ADDRESS of the HOUSE of DELEGATES.

May it please your Excellency,

**I**N Answer to your Message just now received, relative to the Stamp'd Paper, we should think ourselves extremely happy were we in Circumstances to advise your Excellency on so new a Subject: But it being a Matter of Importance, and such as we do not think ourselves at Liberty to advise in, without the Instructions of our Constituents, which we cannot now obtain, we hope your Excellency will think us excuseable for declining to offer you any Advice upon the Occasion.

We return your Excellency Thanks for your Promise of a short Recess, at this Time, agreeable to our Request.

Sept. 28. ROBERT LLOYD, Speaker.

Saturday last WALTER DULANY, Esq; was Re-chosen a Representative for this City; his Seat having been Vacated by his Acceptance of the Naval-Office of Patuxent since his Election last Year.

Friday last Edward Rudgeking, and John Hubbert, the one for the Murder of his Fellow-Servant, the other his Master, were Executed here, pursuant to their Sentence at the Provincial Court, and behaved very Penitently.

We are informed from Baltimore County, that on the 27<sup>th</sup> of August past, Anne Garlin, the Wife of Daniel Garlin of Bush River, gather'd, as she thought, some Mushrooms, which she dress'd and eat, as she had commonly done before; but at Night was taken ill with a Vomiting and Purging, and Died on the third Day.

In the same County, some Years since, an old Man and Two young Women, eat of Mushrooms, as they thought; and the old Man having occasion immediately to set out

on a Journey, was taken ill at Night at the House where he put up; the People gave him warm Milk from the Cow, of which he drank plentifully, and recovered. The Two young Women were taken ill about the same Time, and both Died.

**THIS DAY Closes all Accounts with our good Customers for the GAZETTE.**
